Devignat, R.: Assistance Technique en Médecine Africaine.
Tome I. Bactériologie, Virologie, Mycologie, Protozoologie, Hématologie. 167 pp., pl. et tableaux. — Liège: Desoer, 1958.

Ce petit manuel constitue un excellent résumé de tout ce qui intéresse les assistants médicaux et autres auxiliaires travaillant au service de la Santé Publique. Il comprend les dix chapitres suivants: Classification des agents étiologiques, Procédés de recherche et d'identification, Virus, Rickettsies, Bactéries, Mycobactériales, Champignons parasites, Protozoobactéries, Protozoaires
