anthos

anthos is ...

... the Swiss journal for
landscape architecture
... topical, critical, enquiring
and forward-looking
... bilingual throughout, with all
contributions in German and French
... international with a Swiss focus
... a journal and reference work in one

anthos offers professionals and interested laymen a critical examination of all facets of landscape architecture.

anthos covers the varied areas of the profession from green space and landscape planning to nature and landscape conservation, including open space design, garden design, historic garden preservation and landscape and garden construction.

This issue is being produced in English to mark the 48th IFLA Word Congress 2011.
