It is with pleasure that we welcome the new Consul General of Switzerland to Johannesburg, Fritz Adams and his Family, and would like to publish the following message received:

Consul General's Message

*My dear Compatriots,
For technical reasons, it was impossible to publish immediately after my arrival a few lines for the readers of the "Swiss Review".
As we are about to enter a new year, making ourselves ready for whatever lies ahead, I take the opportunity of the fourth issue to extend to all readers my and my family's warm greetings.*

Last year was an eventful one for us. After four years of activity at the Swiss Embassy in Wellington, New Zealand, we left that country in spring of this year and arrived here in the middle of August after a long holiday on the Continent and in Switzerland.

These changes are part of our Nomadic lives, but it is still a challenge for all of us to start work in new surroundings, with new colleagues, with another Swiss community abroad, with new schools for the children, with . . . and I could go on.

Let me assure you that I share your hopes that our host country will make a good start in the New Year and finds solutions to its many and varied problems.

The staff of the Consulate General and I wish you all a happy and prosperous New Year.

Yours,

Fritz Adams (Consul General of Switzerland, Johannesburg).

Still on the "diplomatic front" we would also like to welcome Robert Mueller, the new Vice Consul in Johannesburg, coming from Helsinki, we wish him a pleasant stay in our warmer climate. Felix Naef of Johannesburg has been posted to Washington, USA and our best wishes accompany him. His successor is Michel Magnin coming from Addis Ababa. At the Swiss Consulate in Cape Town Alain Burdet will be leaving for New York, and Miss. Monique Gilloz coming from Besancon will take his place.

Dear Reader,

Cari amici,

Qualche parola in italiano per invitare i nostri amici di lingua italiana o romantsch di mettersi in contatto con uno dei gruppi PRO TICINO - PRO GRISCHUN a Johannesburg: Rocco Luvini Tel.: 838-2131 a Cape Town Dario Gianferrari, Telephone: 43-1385. With this last number of the Review for 1979, which, due to the printers holidays, only reaches you in January 1980, we would like to express our thanks to all those which have given us their assistance. We would also like to think that our "rejuvenated" local news have been a success. This is proven by the many News items which were sent to us, and which we hope will be even more numerous in the future. The closing dates appear above. And please remember our advertisers they have given us tremendous support and deserve to be given preference on your shopping list!

Curling this very popular wintersport in Europe and Canada could be introduced in South Africa if enough enthusiasts can be found. What about it? After all, Switzerland has recently been World and European Champions (the ladies too!) in this sport. Drop a line to Erwin A. Sautter, P.O. Box 23993, Joubert Park, 2044, further details will be sent to you.

Aelplerfest 1979. Trotz Rekord Niederschlaegen die aus dem Schwingfest beinahe ein Schwimmfest machten war das 1979 Aelplerfest ein grosser Erfolg. Am Samstagabend waren ueber 500 Personen am Unterhaltungsabend an dem auch die Guggemusig eine Vorstellung gab. Das erste Mal seit langer Zeit dass alle Clubs of Society des Swiss Club zusammengearbeitet haben und dies ist eine Tendenz die hoffentlich auch im Neuen Jahr und vor allem am 1980 Aelplerfest 8/9. Nov. fortgesetzt wird. Die resultate des Schwingen, die andern Sportarten waren leider dem schlechten Wetter zum Opfer Gefallen, sind wie folgt:

(1) *Schwingerkoenig*: Gerrie Opperman, Gewinner der Steinmann Wanderpreis-Glocke. (2) Andre French (2b) Johannes Swart (3) John Winterton (4) Patrick Stevenson (5) Ruedi Jucker, bester Schweizer, und Gewinner der Wiederkehr-Glocke.

Mr. & Mrs. H. Thoeni.

Some members never resign from the Club, they just disappear. Not so Mr. and Mrs. H. Thoeni who are taking up residence in Switzerland from where Mr. Thoeni will keep an eye on his Group's numerous interests in Italy in addition to those in Southern Africa.

In spite of a rather extended and hectic spate of farewells all over the country, the little formality of tendering a resignation was not forgotten. A gesture which was much appreciated.

Though one did not often see the Thoeni's at the Club because he was a very busy man, he had the affairs of the Swiss Community at heart indeed. This found its ultimate expression in his effort to collect funds for the Club. It is difficult to find words to express our gratitude for his tremendous success in persuading his business friends to match his own contribution so handsomely.

We take this "farewell present" as the measure of esteem in which he has been held by his colleagues. Wishing him much luck and success in his vastly expanded sphere of responsibilities, we trust that they both find happiness in surroundings which are not entirely new after all. *On behalf of the Swiss Society Helvetia - The Chairman - K. Schmutz.*

At the Samichlaus-Xmas in Hammarsdale over 15 children were present, and this augers well for the future of our club, and so that everybody can show their support, we would like to give already the date for the Annual General Meeting, it is Saturday 15th March. The Meeting Place and the time will still be communicated. But please reserve the date. In the meantime we will of course meet a few times for the Shooting and the dates are: 5th January: Training 2nd Febr. Fun Shooting 1st March. Family shooting - there is plenty of ammunition available now! Talking about shooting, the trip to Johannesburg on the 8th Dec. will be remembered a long time! Jassen every 2nd Friday of the Month at the German Club Westville. It is with regret that we have to record the passing away of *Eugen Vogel* at the age of 70 recently in Durban. E. Vogel was the president of our Club in the years of 1959-1962, we express our sympathy to his family.

OFS / KIMBERLEY

Egli, Kimberley (0531) 31751.
Relling, Kroonstad (01411) 22846.

With the visit of the Swiss Tug-o-War team to this part of South Africa during November, which included an 'Abstecher' to Maseru, we would like to give the results of their competitions: it is very one sided, namely **Swiss** won all the events - This included 3 test matches 'Laenderkaempfe' against South Africa in Cape Town, Bloemfontein und Pretoria, these strong men from Engelberg, competed in three weight divisions. The social side of their trip was also a success with a get-together at the Swiss Club in Cape Town, Springbokpfeffer in Kimberley, and the Aelplerfest in Johannesburg.

— Did you know that Kroonstad once had a Mayor, (Burgermeister) of Swiss descent? It was Adolf Krebs in the years 1935/36. Krebs arrived from Thun in 1897, fought with the Boers, he died in 1955.

We invite all our compatriots to get in touch with us, even if small, there is always something happening in our club, and we extend a hearty welcome to new members. Very Important: Date of our Annual General Meeting - Friday 1st Feb. 1980.

Die im gewohnten Rahmen durchgeführte Weihnachtsfeier bildete den Abschluss zum Jahresprogramm 1979 welches auch einige Höhepunkte aber leider auch Misserfolge brachte. Allen Helfern die zum Gelingen der Feier beigetragen haben sowie dem Samichlaus möchte ich nochmals recht herzlich danken.

Unsere Generalversammlung findet am Freitag, den 1. Februar 1980, vermutlich im Rest. Rheinland, statt. Beginn punkt 19.30 Uhr. Unsere Aktivitäten für das kommende Vereinsjahr werden sich vermutlich auf folgende Anlässe beschränken: *GV, Dinner-dance, Schiessen, Augustfeier, Film und Jassabende, Weihnachtsfeier.*

Zur GV erwarten wir Grossaufmarsch damit noch zusätzliche Aktivitäten diskutiert werden können.

The Tug-o-War visitors also passed through the friendly city and quite a few compatriots met them and even waived them off at the Airprt. Talking about visitors there are great plans afoot in Switzerland to send a team to compete in a "Volkslauf..." to be organised by the Eastern Province Marathon Runners Association in Port Elizabeth sometimes in November 1980. Would be very interesting... und wir harren der Dinge die da kommen...

We would like to mention that this col. is open for any contribution, and it would be very nice for us to receive perhaps also a few lines from what is today the Transkei, some news items from the many activities of the various Swiss Missions there. In 1951, Umtata had a Swiss Bishop - Henry Karlen CMM who later became Bishop of Bulawayo.

Die gut organisierte Weihnachtsfeier der Schweizer Kolonie in Windhoek war leider sehr schwach besucht. Es geht deshalb hier ein ernsthafter Aufruf an alle Landsleute sich bei den guten Vorsätzen fuer 1980 auch eine aktivere Mitarbeit beim Schweizer Klub Suedwestafrika einzuplanen. Im Januar bietet sich bereits Gelegenheit dies in Tat umzusetzen und beim Nachtessen mit Rangverlesen der Schuetzen mitzumachen. Der Anlass wird in Renes Inn stattfinden.

An der Generalversammlung im Maerz/April moechten wir gerne Vorschlaege von unseren Mitgliedern und aus der ganzen Kolonie zu der Gestaltung eines abwechslungsreichen Programm fuer 1980 erhalten. Wir danken auch fuer die Unterstuetzung die wir im vergangen Jahr erhalten haben.

LESOTHO

A Pro-Am Golf tournament will be held at the beginning of February in Mbabane, and an invitation has been received for any enthusiasts to take part. What about it, Johannesburg Swiss Golfers? It can be mentioned here that the International Golf Tournament at Rand Park Club in Johannesburg last Nov. was in fact won by the Swiss Golf Team, *Congratulations!* Backgammon is another game where a tournament will be held in Swaziland from the 14th to 17th of March 1979. Visitors to these events can be assured of real Swiss Hospitality by the Holiday Inns in Swaziland.

Due to the rainy season not much activity on the sporting side. Tennis and Boccia courts having a good rest, ready for action in a few weeks time.

The AGM of the Salisbury Club will take place on the 23rd Febr. please make a note of this date, it is very important that all members attend. Learned with regret of the passing away of Vater Berner, a few weeks ago. Our sympathies go the family. Some very interesting facts came to light on the history of the Swiss in Rhodesia, did you know for example, that the famous Hunter F.C. Selous, learned his French in 1868/69 in the Institute Roulet in Neuchatel. Thanks to the very thorough work by O.T. Berner son of the abovementioned, this type of information was obtained and his efforts are very much appreciated and should be supported by supplying him with more details by all Swiss compatriots.
