LOCAL NEWS — SOUTHERN AFRICA 1/80.

Official News

Not much 'official' news this time, except a reminder once more about the Assembly of the Swiss Abroad on the 22nd to 24th August 1980 at Lugano, more about this - see page 17 of this Swiss Review.

Perhaps you would like to know that the official representatives for South Africa at the Assembly will be Dr. Pio Eggstein, Johannesburg and Joe Giezendanner, Cape Town.

— On the Diplomatic 'front' no changes at the moment, we can only congratulate the First Secretary of the Swiss Embassy in Pretoria Dr. Rolf Bodenmueller on the excellent write up in the 'Star' and on his varied interests i.e. Jazz, and surely for a Swiss unusual: Cricket! Dr. Bodenmueller studied as a post-graduate law student at the University of Pretoria in the early seventies, to return to the same city again in 1977 as First Secretary of the Swiss Embassy.

— Complaints are still being received about the late arrival of the Swiss Review, we regret this, but so many factors must be taken into account. First the material from Switzerland, (these are all the white pages, plus some of the green), arrive late - so we

already have a delay, then the local material is either received very late or not at all and your editor has to make some last minute frantic calls to obtain at least the most important news items from each centre. All this done, the local part has yet to be set by the printer, corrected, and the whole thing to be printed, and in the meantime the envelopes have been addressed and then its over to the Post Office and that is where the fun usually starts, delays, wrong deliveries, envelopes which are returned 'unknown' have later proved that the address was absolutely correct! So please bear with us, we all do our best, to give you the latest local news as prompt as possible, and remember the Swiss Review local news can only be as successful as the support it gets from its readers.

Just to make it easier we give you once more the closing dates and we have in fact added a few more days to each issue for the return of the material to Box 3364 Jhb., 2000.

Issues	Nr. 2/80	31. May.
	Nr. 3/80	31. Aug.
	Nr. 4/80	20. Nov.

Just some items which are of interest Countrywide:

— History of the Swiss 2nd Edition, we should have mentioned that this can also be obtained direct in Switzerland from F. Nuenlist, Tramstrasse 109, 8707 Uetikon a. See at the Price of Fr. 2 —.

— Curling in South Africa — the response has been good, and in the next few weeks a working committee will be constituted in Johannesburg, so please contact E.A. Sautter, Box 23993, Joubert Park, 2044, further details will be sent to you.

— Tour by Swiss visitors: Albert J. Kaufmann, who spent many years in Pretoria, and now lives in Staefa, is a very active Volkslaeufer, and he together with the Associations of Swiss National Games, Schwingen and Hornussen, has planned a Tour by many Swiss Sportsmen and supporters to South Africa from the 30th Oct. - 12th Nov. Details of the Provisional programme are given under some of the Centres, more information will follow later, and it will present an excellent opportunity for some local Clubs to organise meeting with the visitors, and have a real Swiss Faescht!

Liebe Leser,

Dear Readers,

Wieder einmal moechten wir kurz das Problem der fuer die Lokalnachrichten verwendeten Sprache erwaehnen, da uns von Zeit zu Zeit Kritik zugeht dass wir in einer 'Fremdsprache' schreiben, dh. mehrheitlich Englisch. Nun als gute Schweizer wollen wir demokratisch sein, und haben deshalb auch versucht im vergangenen Jahr in jeder Landessprache ein paar Worte zu schreiben, aber wie schon frueher erwaehnt muss beruecksichtigt werden, dass die Swiss Review an viele Landsleute zweiter Generation geht, die schon hier im Land aufgewachsen sind, und deshalb Deutsch, und besonders Franzoesisch, Italiensisch od. Romantsch nicht mehr gut verstehen koennt. Dazu kommen auch noch Gebietsmaessige Unterschiede, und je nach Zusammensetzung der betr. Clubs und Vereine, werden die Neuigkeiten auch in den entsprechenden Sprachen publiziert. Wir sind jedoch gerne bereit spezielle Wuensche zu beruecksichtigen und freuen uns auf Ihre entsprechenden Vorschlaege.

Amongst the many new advertisers in our Guide we would like to mention some interesting ones and that is *Montesa Motorcycles* which are represented in this country by Walter Schutz. Walter has been riding in Trial (Geschicklichkeitsfahren) since 1971, and he has been winning the S.A. Championship twice, the Rhodesian 3 times and has finished amongst the first six in Switzerland and Germany. Anybody interested in this Sport can contact Walter at 678-7600 for further information. Marcellos Mighty Meals, is another new entry, who doesn't remember Marcel from his days at the St. Barbara Hotel. To them and all the others we say thank you, for their support of the 'Guide'.

SWISS CLUB Le Roux Ave. Halfway House.

After a rather slow start of the evening a very lively AGM was held at the Club on the 15th of February. It was a pleasure to see among the many members present also Max Kirchhofer, who has done so much for the Club. The following were elected as Honorary members of the Club:

Mr. W. Stricker — Mrs. A. Seilaz both with their respective spouses.
 To the Council was elected in place of the retiring H. Thoeni the new member F. Wittwer, whereas to the Committee the names of F. Ulrich and K. Gutknecht were added together with the representative of

the Swiss Consulate, Robert Mueller. Those a strong and active committee should present an interesting programme for 1980.

Now we would like to give some news regarding the Church activities, and first of all like to wish all the best to Rev. E.A. Germiquet on his well earned retirement. But he will as in the past be available to his Swiss Compatriots for Services of the Swiss Reformed Church and he can be contacted at:

NATAL

SWISS CLUB NATAL BOX 1220 DURBAN
TEL. Waldburger (031) 42-2141 (Res.) 94-2225

From the very interesting and detailed newsletter of Natal-Guggy we would first like to give some results from events which happened towards the end of 1979. There was in Nov. the Annual Shoot against the Natal Command and the Umkomaas Commando with the Swiss

finishing second.

The Family shooting competition won the 1st of Dec. was unfortunately washed out by heavy rains, but the kids enjoyed the Samichlausfeier which followed very much.

And last but not least, the Preissjassen also in December was won by R. Gerhard in front of A. Deubelbeiss A. Kohler and H. Wolfensberger.

— and lets remind all our friends, Jassevenings on every second Friday of the month at the German Club in Westville.

And by the time this issue of the Review went to print the AGM had not been held, the yearly programme for 1980 had not been completed in detail. We can only give the dates of the Shooting comp. which are as follows:

May 3: Obligatorisches
 June 21: Feldschiessen
 July 5: St. Galterschiessen

We have also learned of the passing away in Pietermaritzburg of Mr. Anghern and his widow has donated to the Swiss History the Certificate of the Swiss Club, Johannesburg, Honorary Membership of his father, Mr. A. Anghern who came to South Africa in 1885, and was associated with Imperial Cold Storage.

If the Swiss Volkslauefer, Schwinger & Folkloristic Tour takes place, they will be in Durban from the 5 - 7 of November, there might even be a Swiss Folkloristic Evening - details later in the year.

OFS KIMBERLEY

P. EGLI HOTEL KIMBERLEY TEL. (0531) 31751.
Mrs. H. Relling, 2 C. Cillierstr. Kroonstad.
(01411) 2-2846.

When during his return trip from the Holidays at the Cape a member of the Swiss Male Choir Jhb., Stefan Keller had a rather serious accident with his Combi near Hopetown. He was in hospital for 6 weeks in Kimberley. Peter Egli and Sue showed what Swiss Solidarity and "zaeme Haebe" means. They looked after Stefan who was far from his friends in Jhb, during his time in hospital and made sure that he received proper treatment and supplemented his hospital food! To Peter and Sue special thanks from Stefan and all his friends in Johannesburg.

Otherwise not much news from this area, of course a whole history could be written about a certain Carl Walser, a Swiss who when exploring parts of the Northern Cape last century came past on his riding ox on the Farm of a certain Hill. Walser married the daughter of this Hill and settled on the Farms Nakop, Ukamas and later it became Walserbrunn. But his life is a story by itself, and would fill the whole Swiss Review, but some details can be read in the second edition of the 'History' of the Swiss in Southern Africa.

PORT ELIZABETH EASTERN CAPE

SWISS CLUB BOX 1107 PORT ELIZABETH
A. Portmann (041) 53-1695 / Diener 31-3245
East London: Rauber, Medical Ctr. (0431) 2-1023

After the very big success of the 1st August Celebration last year in Port Elizabeth there is sure to be an event also this year. A most suitable date would be the 1st August itself which falls on a Friday. Date and place will still be communicated to members, in the meantime suggestions and ideas can be given to the above. Otherwise not much news, and both PE and East London will be 'by-passed' by the Swiss Volkslaeuffer, Schwinger and Folkloristic Group in November, who will however spend 3rd-5th Nov. at the Beacon Hotel in Plettenberg, from where they fly on to Durban. There is however another trip planned;

this time by Swiss Steam Train enthusiasts! this would take them on a special steam train of course, amongst other places from Aliwal to Barkley East then to Rosmead - Outdshoorn - Knysna - Mossel Bay - Voorbai - Cape Town. All this should happen sometimes from mid October to mid November. SATOUR offices should have further details later in the year. Real enthusiasts to fly 10 000km to come and travel on a steam train in sunny S.A.!

SOUTH WEST

SCHWEIZER KLUB SUEDEWESTAFRIKA
Box 5984 Auspannplatz/Windhoek
Tel. (061) 34177/41562.

Das Rangverlesen und Nachtesen im Rene's Inn war ein grosser Erfolg, und wir werden uns nun alle wieder Treffen am Mittwoch 16. April zur Generalversammlung im Hotel Thueringerhof.

Wuerden uns freuen wenn unsere Mitglieder zahlreich anwesend sein koennten damit wir Ideen fuer das Jahresprogramm 1980 erhalten.

Hotel Thueringerhof ist natuerlich das Hotel wo Gottlieb oder 'Godi' Pulver viele Jahre als Manager taetig war, bis zum tragischen Flugzeug Unglueck im Jahre 1964.

Godi kam 1947 als Koch fuer das 'alte' Carlton Hotel nach Johannesburg in 1953 wurde er Manager des Hotel Stadt Windhoek um dann wie erwaeht den Thueringerhof zu uebernehmen, der natuerlich der Stammtisch des Schweizerklubs wurde.

Viel frueher waren aber schon Schweizer im Hotelgewerbe in Windhoek taetig so fuehrte waehrend des Krieges. Frau Botscheider das Ludwiglust Hotel, das damals als Hotel Blaschke bekannt war, spaeter wurde es das Berg Hotel, das nun der Administration gehoert.

LESOTHO

HEINZ BERTSCH
BOX 708 MASERU TEL. (0501) 2-2012.

First we would like to wish Daniel and Renata Strassburger, the Innkeeper of the Holiday Inn Maseru who are returning to Switzerland all the best, and thank them for having acted as our correspondent in

the Mountain Kingdom. At the same time we thank Heinz Bertsch for being our 'contact man' and we hope for many interesting write ups!

There maybe quite a few Swiss trekking to Maseru during the 4 - 30 of April when at the Holiday Inn the World Entertainment & Dance Festival will be held, there are many entrants from Indonesia, Philipines, France and Germany.

Some sad news have also reached us regarding the Swiss in Lesotho. In November passed away in Switzerland at the age of 77. Dr. med. Bertha Hardegger, she arrived in Lesotho in 1937 together with her friend Miss. Dr. med. M. Kunz. For 24 years Dr. Hardegger worked in Paray alone in the middle of the Maluti mountains, and most of her travelling was done on Horseback. She established many more medical stations and outposts in the most remote parts of the Country. She left Lesotho in 1970 for her well deserved retirement in Switzerland, her work will always be remembered amongst the local population.

SWAZILAND

F. LONFAT BOX 118 MBABANE
Tel. (0194) 4-3383

We are pleased to welcome our Compatriot, Suisse Romand, as our new correspondent in Swaziland, thankig at the same time H. Falco for his roll as 'acting correspondent'!

With pleasure we therefore give the first report from Monsieur Lonfat, and hope that all the Swiss in Swaziland will contact him:

More than twenty Swiss (forty if one includes children) reside in Swaziland. While most of them have settled down in Mbabane and Manzini or in the immediate vicinity of these main centres, few have chosen to live off the tarmacadam roads in the Piggs Pick and Nhlangano areas. The employees of the Vevey based Swiss giant represent by far the largest contingent of the Swiss in the Kingdom.

Up to the present time there has been little social activity within the Swiss community. The celebration of our national day could be the occasion for a first meeting. Anyone interested should contact the above named.

The Pro Ticino - Pro Grischun, in Johannesburg has been notified that the Pineapple Canning Factory at Malkerns can be visited should any Swiss who travels to Swaziland be interested. The person to contact there is Sig. Gino. And now something for the Fun-Seekers, from the 9 - 11th May a Sizzling Swingers Weekend is taking place at all the Holiday Inns in Swaziland, and what more, during the same weekend a Backgammon Tournament with R10 000 Prize Money will be held.

RHODESIA

SWISS CLUB SALISBURY - Arnott Rd. Cranborne.
Tel.: (01910) 8-4461 or 70-7280

Due to the developments in the country the AGM could not take place as planned on the 23rd February and it had to be postponed to the middle of March, so when sending this material to the printers the latest club news was not available. But it will all be in the next issue of the Review. The programme for 1980 will be decided upon by the new Committee but it looks like the 1st August celebrations will be held on Sat. 2nd August at the Club grounds, and the "Sau am Spiess - Braten" will also be part of the gathering this year.

It gives herewith the authors of the 'History of the Swiss in Southern Africa' an opportunity to correct some information regarding Rhodesia in their 2nd Edition and that is: in 1957 when the 'new' club was founded in Salisbury the President was in fact J.A. Luginbuehl, and in 1960 J. Blattmer was President, we are sorry for the mistake. (Blattmer was incorrectly spelled last time). Some very interesting Historical notes have also been received again from the Bulawayo area where at one time a big colony of Swiss existed.
