## Book reviews

### **The Rules of the Game in a Democratic Society**

Author: Heinz Wettstein. Publisher: Swiss UNESCO Commission/Pro Juventute.

It is often in a youth group where one makes one's first acquaintance with practical democracy. It is therefore most important that the leader of youth groups has at his disposal basic documentation in order to make use of democratic principles. The brochure which has recently been published by the Swiss National UNESCO Commission and Pro Juventute, shows examples which can be put into practice in schools, youth groups, community centres or youth leisure organizations. The author wrote the brochure based on his experiences made at seminars for youth leaders, organized by the Swiss National UNESCO Commission. He has analysed and enlarged them.

This brochure is obtainable from Verlag Pro Juventute, Seefeldstrasse 8, Postfach, 8002 Zurich. Price Fr.2.50.
