The minutes of the last A.G.M. were read by Mrs P. Rowe and found correct. This was moved by Mr J. Dettling and seconded by Mr J. Steiner. Carried. There were no matters arising from the minutes.

PRESIDENTS REPORT:

Read by Mr Dudli. Mr Dudli opened his report by mentioning the passing on of three members of the Society, namely Mr Walter Risi, Mr Joe Kaiser, and Mr Frank Reichmuth. He then asked for a moment silence as a mark of respect.

Mr Dudli then thanked the outgoing editing committee for all the work they had done involving the Helvetia and the riflemaster for his organisation and to his secretary for all the fine work she had done. The Society's financial position was very sound, and had not been called upon to give any financial aid to any member.

Mr Dudli welcomed the new charge d'Affaires Mr I. Etienne and hoped they enjoy their stay in New Zealand.

Mr Dudli then mentioned that himself and his wife had the privilege to attend the 60th Congress of the Swiss Abroad with 450 delegates in Sierre. As they were the only 2 from South East Asia, Mrs Dudli was asked to speak for the women in this region. Mr Dudli said that it was a great experience and said that if anyone had the opportunity, they should attend.

Mr E. Studer moved that the Presidents report be accepted and Mr Stucki seconded it.

FINANCIAL REPORT

The Financial report was read by Mrs P. Rowe. It was moved by Mr J. Dettling and seconded by Mr L. Kuriger that the financial report be accepted.

SETTING OF SUBSCRIPTIONS

Mr Dudli suggested that the subs stay at \$7.00, and as the committee has the authority to review the subs in February this would be left until then. Mr Dudli then asked for a discussion on this and all present were in favour of leaving the subs at \$7.00.

HELVETIA REPORT

This report was read by Mr E. Studer. 7 small Helvetia issues and 4 big Berne issues had been printed and sent in 1982/1983 year. Mr Studer commented that the Editing Committee should be shared by the different clubs so that we can have new ideas from time to time, and it can sometimes be awkward with the editing being done in one place while the officers of the Society are in another place.

Mr Studer then said that since 1956 Hamilton have done the editing of the Helvetia, which made a total of 27 years. He wished the new editing committee every success.

RIFLEMASTERS FINANCIAL REPORT

This report was read by Mr W. Unternahrer. One question arose about the ladies and boys under 14 years shooting.

It was then moved by Mr L. Chamberlain and seconded by Mr B. Fluhler that the riflemasters report be accepted. Carried.

APPOINTMENT OF SCRUTINEERS

Mr L. Kuriger moved that Mr J. Steiner and Mr J. Dettling be scrutineers. At this stage Mr Dudli our president said that Mr J. Steiner was to chair the meeting during the election of officers and could we call for another scrutineer. Mr L. Kuriger then moved Mr D. Hiestand. It was then seconded that Mr J. Dettling and Mr D. Hiestand be scrutineers.

MOTION

Mr Dudli read out the motion which was printed on the May 1983 issue of the Helvetia, concerning the editing and the distribution of the Helvetia. All present were in favour of the motion to be carried.

ELECTION OF OFFICERS

Mr John Steiner (past president of the Swiss Society) took the chair.

Mr Dudli then chaired the meeting again.

EDITING COMMITTEE

Mr Dudli said that after quite some time and difficulty he had found the people for the editing committee, and pointed out that this office would come up again for re-election next year at the A.G.M.

- | | |
|-----------|------------------------------------|
| EDITOR | — Mr R. Dudli |
| COMMITTEE | — Mr C. Schuler, Mr L. Chamberlain |

Mr G. Hodel then nominated Mr L. Kuriger to be on the committee also. This was accepted and everyone was in favour for the new Editing Committee. Mr Dudli then asked for all correspondence to be sent to him.

DELEGATE TO THE SWISS ABROAD CONFERENCE IN SWITZERLAND REPORT

This was read by Mr Hans Messmer

Mr Dudli thanked Mr Messmer for his report and remarked that this was the first report made by a delegate to the Swiss Abroad. Mr Dudli then moved that Mr Hans Messmer be our delegate to the Swiss Abroad Conference in Switzerland for the following years. Mr Steiner seconded it.

GENERAL BUSINESS

The setting of place of the A.G.M. for 1984 is to be held in Auckland.

It was remarked how some members received 2 or more copies of the Helvetia. Mr B. Fluhler said that the big issue was the trouble. 1300 big issues were being sent from the Embassy while 500 small issues were being sent by the editing committee. Mr Dudli said that he would look into that matter.

The shooting fees were questioned why some pay \$7.00 while others pay \$3.00. The ones that pay \$7.00 receive the Helvetia while the ones that pay \$3.00 are members of a household that already receive the Helvetia.

Mr J. Stucki had a copy of a new magazine called "Aim". It was an alternative to the Link Magazine, and was \$12.00 for membership. Those interested were invited to look through this magazine after the meeting.

Mr Stahli thanked Mr Chamberlain and his committee for having the meeting in Taranaki and touched on the friendly atmosphere and the good food.

Mr Dudli thanked the outgoing editing committee for all the hard work they had done over the number of years and also commented that they had a special place in the Society.

Mr Dudli then moved that the outgoing editing committee — Mr & Mrs Fluhler, Mr E. Studer, and Mr K. Waldvogel all be made Honary members. It was then seconded by Mr J. Steiner. Carried.

Mr Dudli thanked everyone for coming and wished them good health and a safe journey home. He thanked the Taranaki Swiss Club for hosting the meeting.

As there was no further business Mr Dudli declared the meeting closed at 2.00 p.m.

PRESIDENT'S REPORT

After my first year as your President, I submit my Presidents Report.

The past year has seen the passing of quite a number of Society's members from different clubs throughout New Zealand. Three in particular I

would like to mention. Our past President and Editor Mr Walter Risi, and a very active member in earlier years Mr Joe Kaiser, Hawera, and also Frank Reichmuth, Auckland. To all members and families who have lost a dear one we extend the Societys deepest sympathy.

I would ask all those present as a mark of respect for a moment of silence.

Under the Motto all for one and one for all, that's the way I have taken on this job, and I tried to do my best in every circumstances to handle what ever came up during the year. I wish to thank the Editing committee for their co-operation and in the publishing of the Helvetia. My thanks to the Rifle-master for his organisation and work for the Society Competitions. To my committee who throughout the year have given me their support and worked to their fullest extent, especially my secretary who has her book up to date by every visit I have taken.

SOCIETY FUNDS: Financially the Society is in a sound position. The funds are now invested by the National Bank of New Zealand in Hawera to the best terms available. In the past year the Society has not been called upon to give any financial aid to any member.

PUBLICATION OF HELVETIA: As you have been able to read the Motion from Hamilton, that the publication of the Helvetia has to go where the office of the Society is, so the July issue will be printed in Stratford. I would like to take this opportunity and thank the out going Editing Committee for their tremendous work they have done for the Society for so many years.

All I have done so far is to get the quotes in from the different firms and it takes not only hours it takes days until you get things running. These men and women deserve a special place in our society, because they have done everything voluntary.

ARRIVAL OF NEW CHARGE D'AFFAIRES: The vacancy at the Embassy has been filled by the arrival of our new Charge d'Affaires, Mr I. Etienne. We welcome Mr & Mrs Etienne to New Zealand and trust that they will enjoy their stay here in New Zealand.

CONFERENCE FROM THE SWISS ABROAD: My wife and I had the privilege to be at the 60th congress of the Swiss abroad with 450 delegates in Sierre. The theme was "The Swiss Women Abroad". As us two were the only participants from Southeast Asia so did it happen that my wife was asked to speak for the women in this region. I must say after experiencing and participating on this congress that every member of us if the opportunity is given should attend, it is something I am recommending very much.

'1st AUGUST FEIER' - Saturday 30th July 1983 at Eureka Hall - 7.30 p.m.

This year we are endeavouring to organise an especially festive evening most suited to our members, beginning with entertainment by Max Muller and the 'Rural Delivery' Band which proved very popular at our Christmas Function. Our own Swiss Chefs will prepare a typical swiss 'Z'nacht' and we will also have some traditional swiss items throughout the evening. Please wear your swiss costumes to make this a memorable evening for all. Once again we are endeavouring to keep our costs low so as to encourage all our members from far and near to attend - costs \$10 per head.

Please make note of the following dates on your Calendar:

Saturday 27 August - 'G' meutliche Obig' for Kegeln and Jass at Swisscraft Premises, Frankton.
Saturday 24 September - Fondue Evening and Medal Prizegiving at Eureka Hall.

NEWS OF THE COLONY

Christchurch Swiss Club:

FASTNACHT MASKENBALL: This fancy dress ball was held on March 19 at Riccarton House. It was the first time such a function had been held by the Christchurch Club but it was thoroughly enjoyed by those who attended. There have been several requests that this should become an annual event on our social calendar. First prize for best mask was won by Mrs Gabrielle Damm.

ANNUAL GENERAL MEETING: The opportunity was taken at the AGM to discuss the questionnaire

from the Secretariat of the Swiss Abroad on the subject of the relationship between Switzerland and the United Nations. Members appreciated the chance to give their opinions and there was some lively debate. Also during the meeting Mr Kurt Suter was thanked for his many years of interest in the Club and he and his wife, Evelyn, were elected Honorary Life Members of the Club.

The new committee elected at the meeting is:
PRESIDENT - Matthias Damm
VICE PRESIDENT - Max Nussbaumer
SECRETARY - Frieda Looser
TREASURER - Walter Puentener
Rolf Junker, Brigid Tschudin, Peter Tschudin, Sophie Nussbaumer.

JASS EVENING: A games evening was organised for Friday June 10 at the home of Walter and Evelyn Puentener.

Congratulations to Ernst and Monika Frei on the recent birth of their son, Marcel.

PHOTO ALBUM: The Secretary is gathering together photos of past events and social functions of the Christchurch Swiss Club and would be pleased to hear from anyone with photos from the early years of the Club which may be copied for our album.

Hamilton Swiss Club:

CARD EVENING: The Hamilton Swiss Club has had another successful card evening at Putararu on the 11th June, and the Committee would like to express their thanks to all the helpers at Putararu for the two most successful card evenings where everything was well organized with beautiful suppers. We look forward to having some more card evenings next season in Putararu. B.F.

Wellington Swiss Club:

TESSINER EVENING: It was on one of these typical stormy Wellington nights, when ninety

members and friends gathered for a cosy evening at our Clubrooms on the 23rd of May. The committee members did their best to provide some specialities from the Canton of Tessin, and the hot Maronis (Chestnuts), Risotto, Geschnetzeltes, Polenta Kutteln (Tripes) and Salad were soon gone! To finish off a delightful meal a delicious Cassata was served. Many thanks to everyone who helped to make this evening such a success.

TELEPHONE NUMBER CHANGE: The telephone number of our Secretary, Mrs Ursula Dunn will change on the 15th of July to 339-225.

U.D.

CLUBNIGHTS: To all our members who find it disappointing that the new committee has seemingly no more interest to have Kegel and Jass evenings at the Clubhouse once per month, we would like to make it quite clear, that this is not so! We merely think it would be better, to have one such evening say every 6 weeks or two months, because the average attention was rather more than disappointing. So please ring our Skittelmater Hans Kung, or ring a few friends yourself, we will be happy to come and help to make the evening a pleasant one!

EPILOGUE

In the night of 23rd - 24th May, Frank Reichmuth, our Life Member, died after a short illness in Green Lane Hospital. Frank was well known to us all as an honest working, genuine Swiss, and a true member of our Club.

He was born on the 23rd April, 1920 in Ibach, Switzerland, where he spent his childhood. After his apprenticeship as an A Grade mechanic, he served in the Swiss Army in Active service during the second World War.

In 1952, he, and his friend, Alois Holzgang, arrived in New Zealand. Unable to speak any English he began his first employment in a garage in Rangiriri, where he stayed for one and a half years as a motor mechanic. The next 18 months he spent with his friend in the bush in Ti Hoi as a bushman, and later he was actively employed as a diesel specialist by Cable Price. His last position was with the Electric Power Board where he stayed for twenty years until his retirement two years ago. As a motor mechanic and work-mate he was held in high esteem. In 1962 Frank bought a farm in Chamberlain Road, and through hard work this became his paradise. With great love he cared for his fruit and animals and he was happy there.

Frank was a foundation member of the Auckland Swiss Club, and as a humble helpful member he worked enumerable hours for the Club, on the Committee "Farm Trustee", in shooting, and in Club evenings etc. Frank was always standing by, — one did not have to ask him twice to get his help, — he was a genuine Swiss. He has left an irreplaceable hole in our ranks, a good man has been taken from us. Much more could be written about him, but we hold fond memories of the gentle-man he was. Life member, Frank Reichmuth, is no longer with us, but his willingness and outlook on life should be an inspiration to all of us for the future of the Auckland Swiss Club. Goodbye Frank.

His last resting place is the Swanson Cemetary.

EMPLOYMENT AND LABOUR MARKET IN SWITZERLAND IN 1982

After making allowances for seasonal variations, **employment** in Switzerland in 1982 ceased to drop from one quarter to the next. In the fourth quarter, the number of persons gainfully employed was 1.4% less than the figure for the last three months in 1981, which corresponds to the reduction of about 33,000 jobs. The number of workers in industry dropped by 4.4%, while in the building and services sectors it increased slightly.

Owing, in particular, to seasonal variations, unemployment increased in the fourth quarter and at the beginning of 1983. The **unemployment rate**, which amounted to 0.9% in the month of January, nevertheless remained very small compared with the figures in other countries.

In 1982, the part of the reduction in employment exceeding, the increase in unemployment was offset largely by a drop in the Swiss working population. The **foreign working population**, on the other hand, continued to increase; in December, it amounted to some 648,000 people, representing an increase of 1.7% compared with the same month in 1981. There are two reasons for this trend in the size of the foreign working population, which is the reverse of what occurred during the 1974-1976 recession: the worsening of the economic situation has had a far less marked effect than in the mid-seventies on certain branches such as the hotel trade and part of the building sector, in which foreign workers are particularly numerous. In addition, holders of **residence permits**, who enjoy the same rights as Swiss citizens on the labour market, rose from 31% to 53% of the foreign working population between 1973 and 1982. (SODT)
