Ottawa

Swiss Club Ottawa-Valley

As these lines have to be submitted for Swiss-Canadian Review 3/83, we are looking forward to fun events for the summer: the first of August family pic-nic, and the boat cruise on the Ottawa River.

As you read this, we are confirming that a new event is upcoming and sure to be a big success. Come to our Metzgete, on October 22, at the South Nepean Centre, 100 Malvern Dr. (Barrhaven). When good food mixes with tradition, the results can be very interesting... Let's all find out.

For any information concerning the Club's activities, you may call: Joe Rivas, president 820-7064 or Pat McGarrell, treasurer 523-3739

Toronto

Canadysli Toronto

While the sun is burning, it is hard to think of the next Carnival but as soon as our monthly meetings start again in Fall we will have to face it. Especially as Carnival 1984 might be another year where we present new masks and costumes. We always need a lot of helpers in the workshop and also appreciate new members in the Guggemusik or Fife and Drum Corps. Why don't you join us. We

meet every first Tuesday of the month at the Gathaus Schrader (upstairs) at 120 Church Street (South of Queen) at around 8 p. m. If you like the company of light-hearted and fun-loving people you should either come to our meetings or call Edith Roellin (488-9683) for further information.

We hope that our next winter season will be as fun as the past one. Don't miss it.

Edith Roellin, for the Committee of the Canadysli Toronto

Schwingclub Helvetia

Bei ausgezeichnetem Wetter konnte der Schwingclub am 29. Mai auf der Keuschbrothersfarm in North Lancaster Ontario den ersten Frühjahrsschwinget durchführen.

Gegen Mittag schrieben sich zweiundzwanzig Männer und fünf Jungschwinger ein. Während des Schwingets konnte gut festgestellt werden, dass einige Schwinger, besonders die jüngere Garde, im Winter geübt hat und schönen Fortschritt zeigte. Dem Schwingen folgte Steinstossen und Seilziehen.

Zum Schluss möchte ich allen freiwilligen Helfern und speziell der Familie Keusch für die ausgezeichneten Vorbereitungen recht herzlich danken.

Report:

For the 6th consecutive year our National Day Celebration was held on the Zumbuehl farm in Symon's Valley on Monday, August 1st, 1983.

It was a beautiful, hot summer day, on which an estimated 250 Swiss, their families and friends came together.

Two rows of tables had been set up in front of the barn and were quickly filled when it was time to pick up the barbecued Spiessli, salads and buns. Before, during and after dinner the little ones anxiously awaited and enjoyed Ponyrides. After supper, our President, Peter Haeusermann, said a few words (as in recent years the August 1st speech from Switzerland never got here in time...),

then the Jodlerklub performed and after that the crowd relocated to the meadow below the house where the bonfire was lit. Well over 30 kids, enchanted and proud to hold a Swiss lampion, followed Bob, who led the parade around the bonfire playing his accordion until he ran out of tunes to play. It was indeed a delightful sight and a big thrill for all the youngsters. For some people this concluded the festivities, others made their way back to the barn, where the tables had been moved inside and the «Kaffistuebli», offering Kafi fertig and strawberry slices, became the big attraction. Some got up on the dance floor, others played cards or simply engaged in conversation with friends, visitors from Switzerland or patriots they hadn't seen in a while. It was well after midnight when the party broke up and quite a few wished it were a Saturday. «What about next year?» they asked, «is the Swiss Club going to continue to hold the Celebration on August 1st, even though it falls on a Tuesday?» Personally, I think we ought to hold on to this tradition; I recall some August 1st picnics that were held on weekends preceding our National Day and the true spirit was missing every time. – Am I too much of a patriot when I say: «So what if the evening has to end with the fire and lampion parade? Isn't that

If our season start is any indication, we will have a very successful year - 32 shooters already shot their obligatorisch program with various degrees of success. Out of a possible 108 points, R. Brugger shot 105, followed by F. Hodel with 101 and E. Hiestand and J. Brugger with 98 each. At the following shoots, there will be plenty of opportunity to catch up. As was indicated at the General Meeting, we proposed to have at

least one social event a month. On the 23rd of April was the first such event and judging from its success, we will continue to have them. Over 50 people were treated to chicken cacciatori by Hans Rieder and his family and about 80 people were present to have a good time dancing or playing cards. Just like a Swiss «Beiz». Don't miss our next one. If we had reason to be proud of our success at the Aprile dance, our Mother's Day Dinner is almost certain to become an annual event. When originally planned, it

was felt that about 50 people could be expected. Well, more than twice as many made reservations and were served an excellent supper prepared by the Baumann family. Dessert with melted Toblerone chocolate was a real treat. The band made the evening most enjoyable. Thank you to all who have helped make our social evenings a success.

A junior committee has been formed with their own executive. Their first plans are forming a Swiss Band and also planning their own social events.

The weather has really been on our side for the long weekend in May. Last year it was the Clubhouse opening, this year it was our Feldschiessen. Since we have started to hold this shoot Swiss Style, 8 shooters shooting the program at the same time, we have only good comments. Over 50 shooters completed the shoot.
