Switzerland – UNO

Must Switzerland join the United Nations Organization? This is the question which the Swiss people will have to answer in the course of 1984 or 1985. Innumerable discussions on this topic have taken place on helvetic territory, and we felt that one ought to know also the opinion of the Swiss abroad, all the

more since nearly all of them live in countries which already belong to the United Nations Organization.

At the 61st Assembly of Swiss Abroad which will take place in Zurich in 1983 (see page 19), the main theme will be devoted to this important subject, and we shall be pleased to receive the attached questionnaire duly completed by **25th July 1983**. Please send it to the Secretariat for Swiss Abroad, Alpenstrasse 26, 3000 Berne 16, Switzerland.
