# Make sure of your retirement in Switzerland

It offers the best investment

## The Residence of «LES CHÊNES VERTS» at Aigle (Vaud), Switzerland Retirement Community

It will open its doors in 1984 and offers you the means by relieving you of your worries and assuring you of a pleasant and stimulating environment.

**Thanks to an entirely new formula** which allows costs and charges to be distributed over several successive generations, and also due to the non-profit-making character of the organization, the prices asked are particularly advantageous both as far as the purchase price and the charges are concerned. At surprisingly favourable conditions, you will be enjoying the following advantages:

- **enjoyment** for life for yourself and your partner, to the death of the last occupant, of a **comfortable and spacious flat**, consisting of two, three or four rooms, balcony, bath and shower room, fitted kitchen, view of the Alps;
- at your service all the communal equipment of the Residence; **restaurant, various lounges, winter garden, terraces, park, golf course**, etc.;
- the possibility of partaking at your will and according to your tastes, in all activities organized within the community;
- **the facilities of a medical centre** equipped with modern installations, and a guarantee to receive round the clock a qualified home help and medical staff.

A further advantage is an admission payment which varies between **Fr. 60 000.- and 120 000.-** according to the age of the person and the size of the flat. These conditions work out three or four times less expensive than the purchase or lease of an equivalent flat.

In case of premature death or due to departure, the initial payment is **refunded**, apart from a reasonable charge for the time the flat was used.

**There is no age limit for entry** to the Residence. It is also open to people slightly disabled.

Individual proposals will be made to anyone who would like **to reserve** a flat for later and would wish to use it as a **secondary residence** for the time being or **sublet it to a third party**.
