Chers Amis,

Some news of general interest to the Swiss Community in Southern Africa:

Swiss – Export Organisation is having the 1st Swiss Industrial Exhibition from the 29 Aug. to 1 Sept. 1984 at the Carlton Hotel, Johannesburg, those interested write to Box 1484 Kempton Park.

A book has been published on the Swiss overseas with an interesting chapter about Southern Africa, see for further details under "Lesotho", it is well worth to obtain a copy.

For the sportive Swiss it will be of interest to learn that a "South African Federation of Bocce" has been formed. Played of course by most European countries, with Switzerland usually second in the world championships, this sport has also become very popular in South Africa and this country will now join the international Association.

We add our thanks and best wishes for their retirement to Fritz and Susann Adams the outgoing Consul General of Johannesburg.

Uf Wiederluege!
Your Editor

Message of the Consul General – Johannesburg

Dear Compatriots and friends,

After nearly forty years in the Foreign Service of our country, I will retire and return with my family to Switzerland.

Since we arrived in Johannesburg in August 1979 my wife and I have learned a lot about this country and its Swiss community. We will keep wonderful memories of these last years in the service of our Government and we shall remember with gratitude, how we were welcomed by the Swiss and many other friends in South Africa.

As always at the end of a tour of duty in any country one feels, that many things, one had wished to do, have not been done, but I am sure my colleagues at the Consulate General and my successor due to arrive in May of this year, will continue to do their best in the interest of our country and its nationals living here.

To all those who are devoted in any field to maintain our institutions and traditions, to strengthen existing friendships among the Swiss, but also with all the people of South Africa, I would like to express my sincere gratitude.

I wish you every success in all your endeavours.
Fritz and Susann Adams.
Johannesburg.

Quite a bit of Swiss activities happening in the Eastern Cape, a whole team of Swiss Golfers took part in a "Laenderkampf" against a S.A. Amateur Team, and what excitement especially in the Singles when the Swiss played very well.

In the end the South Africans came out winners, the Swiss Team consisted of M. Buchter, P. Jaquet, I Couturier, T. Gottstein and non playing Capt. C. Storzjohann.

The Swiss certainly had better weather in P.E. than the South Africans last year in Lausanne when in June, yes in Summer snow started falling, when they played against the Swiss!

Berner has made a summary of all his research, and on behalf of all Swiss in Southern Africa we would like to express thanks and appreciation for his hard work.

Many interesting facts have been discovered and it is shown that Swiss have made a very valuable contribution to the establishment of this country.
