The Swiss in Ontario

The Swiss in Ontario, a new book written by Joan Magee, has been launched at the first of August celebration in Mitchell, Ontario, for the 700 year celebration.

The book examines the Swiss heritage and experiences in Ontario, the cultural practices they have maintained and the experiences the immigrants have had once they reached Ontario. Along with descriptions of where they settled, there are personal stories of people who came to Canada.

The Swiss in Ontario is illustrated with photographs and reports, the result of a detailed survey of Swiss Immigrants.

Joan Magee herself has a Swiss background and is therefore uniquely qualified as the author of a book.

The cover was designed by a Swiss Artist living in Toronto — Rudolph Stuessi.

The 270 page book with 75 illustrations is available at a price of \$16.00 per copy plus \$2.00 for postage. Please make your cheque payable to the Canadian Swiss Cultural Association and mail it to:

Swiss Rifle Club Toronto

Many times has it been heard by visitors from Switzerland, that they have never enjoyed a first of August celebration as much as the one held here in Ontario!

The feeling of a special year showed itself at many events; including a biggie at the Menzi Farm in Moncton, near Mitchell Ont. organized through the Consulate, by the Swiss Clubs in Mitchell and Toronto.

In keeping with this festive spirit at the Toronto Rifle Club, on July 27, we shot the international 700 year Jubilee programme on a target value 100. The top score with 433 points was achieved by Ernst Hadorn, followed closely by second and third standing with both 432 points, shot by Tony Koechli and Bruno Buser.

The big finale, (Endschiessen) on Sept. 28th was attended by an exceptionally large number of members. Many thanks go to Evelyn Schneller who tirelessly collected the generous prices donated, by sponsors, so that everyone was able to select a gift, and then same to the many ladies who showed up to help Evelyn lay out the table, thank you, it was a big success!

All during our shooting season we had exceptionally good weather and enjoyed seeing friends at the range, so that the board is looking forward to the 1992 season and seeing again all of you and any new members.

Regula Koechli, Secretary

Swiss citizens do no longer require a visa to enter the United States by land

Swiss citizens, tourists and businessmen, are from now on allowed to apply for admission to the United States as visitors without first obtaining nonimmigrant visas at United States Embassies or Consulates.

To apply for admission into the United States under the new Visa Waiver Program the traveler must:

- have a valid Swiss passport; be seeking entry for ninety days or less; if entering by air or sea, have a roundtrip transportation ticket issued by a carrier that has signed an agreement to participate in this program with the U.S. Immigration and Naturalization Service, and be arriving in the U.S. on such a carrier;
- have proof of financial solvency as well of his residency abroad to which he intends to return (i.e. "landed immigrant papers from Canada").

Swiss citizens applying for entry under this program are allowed to remain ninety days (this cannot be extended) and cannot change their status. Visitors cannot work or study.

Suppression de l'obligation du visa pour entrer aux É.-U.

Les touristes et hommes d'affaires suisses sont maintenant autorisés à demander leur admission en tant que visiteurs directement à la frontière, sans avoir préalablement obtenu un visa de non-immigrant auprès d'une représentation des États-Unis à l'étranger.

Pour demander son admission sous ce nouveau "Visa Waiver Program", le voyageur doit:

- être en possession d'un passeport suisse en cours de validité,
- demander son admission pour une période de 90 jours ou moins,
- si l'arrivée a lieu par air ou par mer, être en possession d'un billet de retour délivré par la compagnie ayant effectué le transport aller et ayant signé l'accord de participation à ce nouveau programme avec les autorités des É.-U.
- être en mesure de prouver sa solvabilité ainsi que sa résidence à l'étranger (par ex. certificat d'immigrant reçu pour le Canada).

Les ressortissants suisses qui demandent leur admission sous ce programme sont autorisés à séjourner 90 jours, non renouvelable. Ce statut ne peut être modifié par la suite. Les visiteurs ne sont pas autorisés à travailler ou à étudier.

12. Annual Schuetzenfest 1991

This event is enjoying ever increasing popularity, and I am sure it is due to its uniqueness. I am not aware of any other target shooting competition were the Schuetzenkoenig is acclaimed from 4 different discipline. It could be called a "quadraton" of shooting. One must achieve good scores in 300m rifle, 50m smallbore, 50m pistol and 30m crossbow. On our beautiful shooting we are able to compete in all four within walking distance and when the weather cooperates as it did this year, it makes for a great event.

We had a new participation record with 85 shooters and we can surely boast that it is an international event. Not only do we have shooters from B.C. and Alberta, but from the USA as well as from Switzerland. For the first time we had 4 shooters from Los Angeles, and judging from their comments, they will be back next year in larger numbers. 3 members of the Schuetzenverein Rueti ZH participated for the second time. They visited with us first in 1986 and we sure enjoyed having them with us.

We will certainly have to add more shooting time for next year, as it was obvious that our shooting facilities are taxed to the limit with this kind of participation. We also enjoyed the visit by our Consul General Mr. Max Inhelder, his wife and son, as well as the Consul Kurt Maegli. They both competed for the first time with some success in all four matches and we hope to see them again next year.

The results show that the competition at the top is getting tougher every year. A score which would have won the trophy a few years ago, now finishes in 5. or 6. place. Congratulation to all the winners.

Swiss Club Matterhorn

In celebration of Switzerland's 700th birthday, the Swiss Clubs of Calgary put their heads together to commemorate the occasion in a truly festive fashion.

Under the proficient direction of our Consul for the Swiss Abroad, H.P. Fischer, the idea of a weeklong celebration, in conjunction with the touring exhibit "Face to Face with Switzerland", was born. The University of Calgary was selected as a suitable site to display this exhibition.

The month of September was chosen for the CH-91 festivities because the Festival of Nations at Spruce Meadows has become an event all Swiss Clubs participate in. It was felt that if both events could somehow be tied together it would be feasible to invite a band from Switzerland to liven up the activities.

Looking back now, this idea proved to be the most important factor in making our celebration such an enjoyable and memorable event.

The Swiss were given special recognition at Spruce Meadows on Sunday, as it was proclaimed "Swiss Day". We were honoured to have Consul General Max Inhelder from Vancouver in attendance on that day, as well as the following Sunday at the official opening of the Exhibition at the U. of C. A wine and cheese Party at the Faculty Club followed the ceremony which included Calgary's own Jodlerklub Heimattreu, our Ladies Folk Dance Group Alpenroesli, as well as the visiting Kapelle "Echo vom Saum" from Herisau.

For optimal exposure the McEwan Student Center was undoubtedly the best location to display the Exhibition, and it came to life every noonhour when the Swiss band was present to entertain.

On Wednesday night the video "Red & White" was shown and on Saturday the festivities concluded with a Gala Dinner Dance at the Dining Center. Besides the authentic Swiss band and performances from both the Jodlerklub and the Dance Group, an appealing Tombola was the feature attraction with 3 trips to Switzerland; one was donated by KLM and two were presented in person by Mr Max Colpi, Finance and Personnel Manager for Swissair in Montreal.

Indeed, our festivities finished on a high note. We are proud of the spirit that was displayed by the Swiss community of Calgary in working together to make this milestone in the history of Switzerland a time we will all fondly remember.

Crossbow News

Our participation at the 18th Federal Crossbow Festival in Dallenwil begun when 23 Vancouver Crossbowers and family members marched in the Festival Parade. Smartly dressed in Red and White, carrying four Canadian and two British Columbian Flags, they made enough of an impression to be shown in the Stanser Newspaper and the "SPORT". On their way to the Festival Tent, some 500 buttons were handed out to the spectators advertizing the "CANADIAN EVENING ON JULY 10th."

The next day we met at the Crossbow Range in Rothenburg for a friendly competition. Josef Spiess, their president had it arranged to perfection with a competition. It was called "KLEINER KANADIER ABEND". The presentation of awards was a real surprise. All competitors received a medal. All 24 Rothenburger crossbowers received a Silver Canadian Coin. The top scorer, Josef Spiess, a Pokal. The Vancouver shooters received each a brass bell with engraving. The best Vancouver score was rewarded with a Pokal, Elisabeth Reymond won it. It was an evening we shall not forget. Our thanks to Josef Spiess. Now we understand why he is President of that club for 35 years and no one wants him to resign!

The shooting in the Dallenwil tent was very difficult. The heat made shooting extremely hard. But some of our members won medals just the same. Congratulations to Elisabeth Reymond, Colette Morach, Joe Morach, Benny Buegler, Benny Merkli and Markus Spycher. The special "Angela Trophy" was won by Colette Morach. This award was given to the Vancouver shooter who had the highest Sektions score in the Dallenwil Festival tent. Other medal winners who shot the competition at the Coquitlam range were: Alois and Therese Lander, Mary Hotz and Claude Reymond. As a team we did better than 5 years ago. We were very close to a Silver Laurel. If only . . .

As for the "CANADA EVENING" on the 10th of July, that was a perfect score. The Festival tent holds 1300 people and by 8 PM it was filled up.

The selection of the entertainment program was done by Hans Schalch and Rolf Meier. When you can get 1300 people to stand on benches and tables, wave their arms and sing along, you can tell that they are having fun. And the the FINALE: 500 Balloons with red maple leaves dropped on the patrons while the Rothenburger "Fuedlibuerger Guggemusig" came thundering into the tent. I could not believe my eyes.

And there were only 4 of us left for the Absenden on the last day of the Festival. The competition is over and now the "Faenriche" with their big Banners and smaller Standarte are lined up to receive their Gold, Silver or Green Laurels.

CH-91 Tour Closing Report

(PART II)

Sunday afternoon was spent in a large tent structure with performances of the participating choirs and establishing friendships with the hosts, the members, families, friends of the **Men's Choir of Engelburg** and all the other participating choirs. The prospects of longstanding friendships were evident. Many thanks to the organizers of this magnificent festival, especially **J. (Sepp) Mestka** and his committee.

Monday June 3, 1991 after travelling through the picturesque scenery of the Appenzell mountain country the choir arrived in the border town of **Diepoldsau**. The warm welcome by the **Men's choir of Diepoldsau-Schmitter** and the **Yodel Choir Berneck** made up for the pouring rain that provided for a wet reception. The evening public concert was again highlighted with the performance of our choir. The organization headed by **Albert Turnherr** and the friendly reception and response by the local people were tremendous. Too short a visit.

Tuesday June 4, 1991 continuing through Austrian territory and the tiny Principality of Lichtenstein an extended drive over the "Fluelapass" brought the choir to the resort town of **Scuol**, high in a mountain valley of the southeastern area in the romansch language region of Switzerland. After a days rest, hiking, searching and finding the "roots" of **Gerry Paravicini** the choir participated at an evening concert especially arranged by the "**Cor Viril Engiadina Bassa**", the local men's choir. This was a public concert advertised in the regional villages and superbly prepared

by **Armon Parolini** and his colleagues. The success of the Edmontonians was repeated and the audiences response was enthusiastic.

Next morning June 6, 1991 after a long bus tour, partly through Italy, arrival in **Lumino** in the Canton Ticino, the Italian language area in the south of Switzerland. The reception by the host choir **Eco di Lumino** under the guidance of **Gianfranco Franzi** is unforgettable and the colour in their music and appearance reflects the warmth of the south. The evening concert in the local baroque church was a regional event and the audience was responding with highest acclamation. Again the encounter was too short but the friendships and comradeships are continuing.

The longest drive of the tour on June 7, 1991 went diagonally through Switzerland with arrival in the City of **Biel-Bienne**, the bilingual city (French/German) of the country. The reception is memorable. Six Alphorns sounded the arrival with a large crowd of citizens welcoming the Canadians. An evening of rest and the following day being generously hosted to a pleasure boat tour on the Lake of Biel with a taste in the local wine cellars and enjoying country village scenes the choir was properly tuned for the grand gala concert in the Congresshall of Biel-Bienne. Yodelchoirs, flag tossing, alphorns, folksdance and of course the Canadians were on the previously advertised program. This folks festival, organized by the "**Yodelvereinigung Biel**", turned out to be a tremendous success with the newspapers reporting "roaring applause" for the **Edmonton Swiss Men's Choir**. The efforts by the team of organizers and especially **Otto Grossenbacher** are greatly appreciated. We will not forget the hospitality and hope to see our new friends from Biel-Bienne soon in Edmonton.

Sunday, June 9, 1991 after a short visit to the Swiss capital Berne, on to an afternoon public concert in **Corminboeuf** a suburban village to the **City of Fribourg** in the "Suisse romande", the French language zone of the country. The reception and hospitality by "**La Chanson des Quatre Saisons**" (the local mixed choir) are unforgettable and the charm of the "Romande" impelled lasting friendships.
