“It stands to reason that in many countries one cannot exclude loss of livelihood due to political events.”

“But that is exactly why we have the Solidarity Fund for Swiss Abroad.”

“This enables you to take out individual insurance against loss of livelihood – with a lump-sum payment of up to Sfr. 100 000.– in a single case.”

“But you do not have to expect the worst in order to make membership of the Fund worth your while.”

“In fact, as a member of the Fund you can also build up a respectable savings account in Switzerland under safe and favourable conditions.”

“And the Fund also gives you enormous advantages regarding health insurance.”

“With the «dormant» health insurance scheme, you can pay a few francs a year now and save hundreds later.”

“Or with the «active» health insurance scheme you are guaranteed first class medical care in Switzerland now.”

“Of course! the Fund is open to all Swiss citizens and their children, provided they are registered with a Swiss Embassy or Consulate abroad.”

“The best thing is to study the relevant documents in peace and quiet.”

“This sounds like a good idea. Please send me – without any commitment on my part – details about the Fund’s valuable services for the Swiss Abroad.”
