Who holds the best hand?

The parties on the stand

To provide our readers with a direct comparison, "Swiss Review" posed the party leaders three concrete questions:

1 How many National Council seats is your party aiming to win in the upcoming elections?

2 What political goals has your party set itself for the next legislative term?

3 What is your party's position on the Federal Council's proposal of 28th April 1999 on limiting the voluntary AHV?
