A MESSAGE FROM THE CONSULATE GENERAL OF SWITZERLAND IN MELBOURNE

Retirement News

Our colleague, Mrs Terry Mylvaganam, is retiring at the end of October. Terry has been working at the Swiss Consulate for the past 23 years and most readers would have met or dealt with her at one time or another. Her knowledgeable, friendly, cheerful and helpful manner was appreciated by many! We wish Terry a most enjoyable retirement. We know she will continue to keep busy as she already has other ventures in mind...

Dear Friends of the Swiss Club, another year comes to an end and thinking back over the events of 2005 I can say that we had some terrific highlights but also some very difficult issues to deal with.

What stands out for me was the launch of our History Book - "Swiss Club of Victoria - The first 100 Years". Its completion is a fantastic achievement for the Club and for everyone involved.

It also gives me great satisfaction to see that the patronage of the Club Restaurant has increased since the refurbishment and we see many new and young faces that now meet at the Club regularly. It also continues to be a warm and inviting place for our members and guests. My thanks go to Roger and his staff for making everyone feel welcome.

I also wish to say thank-you to the many people that work and support our Club tirelessly and often unnoticed 'behind the scene'. Thank-you to everyone that is involved in the subgroups and the school, to the ones that patronage the Club regularly, to the ones that support and attend our

functions, and to the staff of our Consulate General with whom the Club enjoys a close and friendly relationship. And lastly, I thank my committee colleagues for their hard work and commitment!

I wish you all a wonderful Christmas and the very best for 2006. I look forward to seeing you at the Swiss Club in good health and spirit.

With another year drawing to a close, we thank all our friends for the support during the year, at our "Jass-Obets" and at the National Day Celebrations. The latter enjoyed a good turnout of compatriots and friends despite the cold, windy and wet weather. We did manage to keep everybody dry and comfortable and the mood, in contrast to the weather, was sunny and warm.

VOLUNTEER SUPPORT PROJECT FOR GERMAN-SPEAKING SENIORS

In 2003 the SAADV, the South Australian German Association or "German Club" initiated a Government-funded Volunteer Project to support frail older German-speaking (including Swiss!) people who still live in their own homes in the metropolitan area of Adelaide and are socially and/or geographically isolated.

Stage 1 comprises sending volunteer visitors out to either assist the above-mentioned target group with light household duties or provide much-needed social support.

Stage 2 is a fortnightly get-together at the club to socialise over a provided, culturally appropriate meal. A meal delivery service with German/Austrian/Swiss style meals and carer respite will hopefully follow soon.

Should you be interested in receiving this service (or know someone who does) or wanting to become a volunteer yourself (urgently needed to reduce our waiting list due to huge popularity!) and bring a spark back into an old person's life please contact Elke Obermeier, Tuesdays and Wednesdays, at the above address.

This year the Swiss National Day Ball that we held in the brand new Function Centre at the University of Western Australia was a great success. All the people who attended loved it and said they were going to be back next year. On 6 August we were up at the Swiss Club Property in Rolling Green/Gidgagannup to celebrate once more our National Day with a big bonfire and "Lampions". It was attended by around 100 people. Also our soup and

sausages sponsored by the Swiss Club were a great hit. There where even a few who camped overnight. It was a great fun weekend away.

On 21 August we held our AGM and have again put a great committee team together.

Don't forget our monthly events such as the Sports Club and the Jass. You can also check our web page or contact us for more information. Everyone is always welcome to attend the events and hopefully we will see you soon.

SURVEY OF SWISS IN WA

In the second half of 2004, a questionnaire was sent to all Swiss in Western Australia who were registered with the Consulate General of Switzerland in Melbourne. There were 329 responses to the survey, from approximately 1500 registered Swiss families in Western Australia. Of the respondents, 41 were members of the Swiss Club of WA (SCWA), 270 were not, and 18 did not specify their membership. The response rate from Swiss Club members was 36% and from non-members approximately 19%.

The full report can be downloaded from: www.swiss.org.au/clubs/swissclubwa/Survey.pdf

The findings are summarised below:

- There was strong interest in fitting in with Australian culture.
- SCWA members were more interested in Switzerland and Swiss culture than non-members.
- A relatively small number of French Swiss people responded to the survey. They held strong views that the Swiss Club did not represent them, and was exclusively oriented towards Swiss Germans.
- A common theme from non-members was that the Swiss Club was too old-fashioned and traditional. They could get this impression from looking at the Club programme of events, which features Metzgete, Fasnacht, 1st August, Jass, yodelling, etc. However, the events the Club runs do not match the nature of the Club.
- People generally felt that the Swiss Club property at Rolling Green was too far away, but despite this, the consensus was that people liked it and the Club should keep it.
- If the SCWA had its own clubhouse, a majority felt that this would increase membership. A potential clubhouse should hold about 100 people and people would attend it about once a month. There was little interest in contributing to the purchase of a clubhouse, and there was lukewarm interest in volunteering services towards upkeep and maintenance. People were happy to share a clubhouse with other (preferably European) clubs.
- There was strong interest in going to a Swiss restaurant, but there currently isn't one.
- There was strong demand for Swiss German language lessons, for both adults and children.
- Interest in sporting activities was low, but bushwalking and camping were more popular than cycling, general sport and golf, in that order.

Consular issues

In general, people were very happy with Swiss ambassadorial and consular activities provided in Australia. Most people had interacted with the Consulate General in Melbourne, and were very happy with the service provided. However, respondents identified some areas of improvement in consular services, notably in reducing sexism in official communications by addressing correspondence to both women and men; and providing more information about the services the Embassy and Consulate provide.

After a busy winter we are now looking forward to a warm and sunny Sydney summer which will, hopefully, also bring some decent rain in-between all the sunshine.

In July we had our very popular Fondue night as well as the AGM at the Eiger Restaurant in Petersham where we enjoyed great Swiss food and hospitality on both occasions. The Fondue as usual was a full house. At the AGM all committee members except Marie Claude Pilkington were re-elected. After 10 years on the committee Claudie decided not to stand again. I'd like to take this opportunity to convey a big thank you to Claudie for her excellent services to the Swiss Club and to all other committee members for the great job they have done in the past as well as in the new year.

The 1st of August celebration was combined with a Metzgete in the Austrian Schnitzelhaus, again with delicious food and great raffle prizes. Thank you again to all generous sponsors. I'm writing this message before our September cheese and winetasting outing to the Hunter Valley but I'm sure it will be a fantastic event at Mona & Tony Kalt's winery.

What are we planning in the near future?

Firstly it'll be our "night with a difference". This year it's Tappanyaki on 5 November at the Sakari Restaurant in Willoughby.

The childrens' Christmas/Samichlaus is planned for 4 December and the Usplampete at the Eiger is on 12 December. As in previous years we are hoping for a generous amount of donations for the Childrens' Christmas to fill the Samichlaus bags and for raffle prizes. Please contact our playgroup ladies or your Swiss Club committee if you are able to help. Thank you very much in advance.

The Jassers get together at the Eiger every Monday night and the committee meets also at the Eiger every first Monday of the month. On every second Friday of the

month the Swiss also meet at the Austrian Club in Frenchs Forest and this has become a very popular evening. So if you feel like a bit of friendly Swiss company with a nice glass of wine or beer and some delicious food, come and join us at the Eiger or Austrian Club.

New members are always very welcome. If you or your friends with a Swiss connection are not yet a members why not give it a go?

Thanks and enjoy the summer.

Dear reader and friends of the Swiss Yodlers,

Sydney - Aarau - Hitzkirch - Gelfingen - Mount Pilatus

We left Sydney all together on Friday 10 June 2005 and travelled via Singapore/Bangkok to Zurich. At the Airport we were received by some families, friends and some Alphorn tunes. From there everyone had a few days off, to overcome jetlag and get ready for the Yodlerfest. The preparation in Hitzkirch/Gelfingen LU with the local support of the Yodlerclub "Seebachtal" was superb and their hospitality and friendship first class. The days in Aarau will remain in our memories for a long time. Not only was the weather perfect, but also the whole ambience was just gorgeous. We loved it and they (the "original" Swiss) loved us. The evidence was shown in many interviews in the Schweizer Illustrierten, Tages Anzeiger, Aargauer Tagblatt, and the local Radio Station as well as the Swiss TV. And once we entered the arena in Aarau at the Festumzug with our Aussie Style Tractor and Wagen, the applause was overwhelming. Well, it was Switzerland pure and I can only recommend attending such a beautiful event. Of course, we have also benefited from being such an exotic bunch of yodlers!

Some of the yodlers returned in time for the 1st August National Day Celebration. This year with our surprise guest, Frau Bundesrat Micheline Calmy-Rey. Although Mrs Calmy-Rey was on a private holiday in Australia, it was a great honor to have the Foreign Minister participate at our function and to represent the Swiss Government and our old homeland. This special visit attracted many compatriots to attend the day.

It was also a great way to introduce our new Consul General, Mr Jürg Casserini, to the large Swiss crowd.

More than 700 Nussgipfel, close to 1150 portions of Cervelats, Bratwurst and Fleischkäse, lots of Bier and all the Schnapps were sold. We apologize if anyone missed out on a Bratwurst or a Nussgipfel. There is always a next time. The blue sky and the nice temperature did their bit to have more than 950 People attending. Many thanks for this great support. We have also evidence that with more than 2600 raffle tickets sold, there is a clear sign for the outstanding

We hope we have now a little time to rehearse again and learn some more yodel songs for the future. It's also already time to wish you a merry Christmas and a happy New Year. The well attended AGM of 24 August at Schweizer Kobras in the City was conducted by Margrit Bachmann who handed over the Presidency to Mrs Beatrice Stuber. Xenia Zumbach joins the committee to take over the duties as Secretary. This allows

Margrit more time for community support work, phone (02) 9332 3729 together with Ursula Zahnd (02) 9529 5785. Please keep communicating to them on any needs where SCCS can be of assistance.

The following thank you letter to the Swiss Community Care Society was recently received (name and address provided; letter shortened):

With a big thank you I would like to express my deepest gratitude to the Swiss Community Care Society for their immense help at the worst time of my life. Through some unforeseen circumstances I found myself in the most horrendous situation and my whole life was completely turned upside down. Being in my seventies and having moved to Australia only a few years earlier, I found myself without friends, money, and at my wits' end. It is thanks to the Swiss Community Care Society's caring and sympathetic help and their ongoing friendship that my life is now back on track. These people (all volunteers) give up their time to help their Swiss compatriots in need. Thanks to their great help I can now enjoy a peaceful existence with wonderful new friends and my life is worth living again. With many thanks and best wishes to the Swiss Community Care Society.
