100 years of the Swiss National Bank

The Swiss National Bank has been the custodian of the Swiss currency, the Swiss Franc, since 1907, supplying the country with the necessary coins and banknotes. From time immemorial, the banknotes and coins of Switzerland have been works of art, reflecting the spirit of the times, and have served as a measure of value for countless generations. The centenary coins are no less worthy: numismatic masterpieces in silver and gold – genuine, timeless and of lasting value.
