Cette rencontre qui s'est tenue  
au Carré des officiers de la  
Pointe-à-Carcy a été très appré-  
ciée par l'ensemble des partici-  
pants. A cette occasion, de nom-  
breuses personnes ont regretté le  
fait que la Société des Suisses de  
Québec ne soit plus active depuis  
plusieurs années. En fait, cette  
société existe encore sur le pa-  
pier et ses archives sont déposées  
quelque part en attendant  
qu'une petite équipe de volon-

taires se rassemble pour lui re-  
donner vie. Pour cela, il suffirait  
que 5-6 personnes soient prêtes à  
consacrer une petite partie de  
leur temps libre pour la mise en  
place d'un programme com-  
prenant quelques manifestations  
par année.

La région de Québec compte  
plusieurs centaines de compatri-  
otes et certainement autant de  
sympathisants de la Suisse ! Il  
existe donc un potentiel certain ;  
reste à trouver des volontaires.

Je lance par conséquent un ap-

pel à celles et ceux qui souhai-

communauté suisse de Québec.

#### Fête nationale suisse 2008

Le samedi 2 août 2008, la communauté suisse et ses nombreux amis vont célébrer la 32<sup>e</sup> édition de la Fête Nationale suisse à la station de ski du Mont Sutton. La plus grande célébration hors-pays de la fête nationale suisse est ouverte au public pour une somme modique.

L'hospitalité des résidents et commerçants de Sutton, les administrateurs du Mont Sutton, contribue grandement au succès continu de la Fête Nationale. Afin de souligner cette collaboration, la Ville de Sutton sera déclarée Commune suisse d'honneur pour la durée de la Fête. Des «déjeuners suisses» seront offerts à Sutton jusqu'à 11h.

La journée démarre à 8h avec le tir au petit calibre, et le service œcuménique à 11h, suivi d'un après-midi de musique et activités folkloriques. Les monts et vaux environnants résonneront du son des cors des Alpes et des yodels, des groupes musicaux de la Suisse et de la région. Participez aux jeux pour adultes et enfants, regardez les matchs de lutte suisse, démontrez votre adresse au tir au petit calibre, ou parcourez la montagne à pied ou en remonte-pente. Dansez jusqu'à 1h du matin. La Tombola offre la possibilité de gagner l'un de 10 lots très intéressants (1<sup>er</sup> prix : 2 billets aller-retour Montréal-Zurich). Pour les dernières nouvelles visitez [www.fedesuisse.com](http://www.fedesuisse.com).

#### Swiss National Day celebration

On Saturday, August 2, 2008 the Swiss community and its many friends will celebrate the Swiss National Holiday for a 32<sup>nd</sup> year at the Mt. Sutton Ski station. This largest celebration of its kind outside of Switzerland is open to the public for a nominal entrance fee.

The hospitality of Sutton residents, merchants and the management of Mt. Sutton contribute greatly to the enduring success of our National Day Celebration. To commemorate this relationship, Sutton is hereby declared an honorary "«Swiss town" during our festivities. "Swiss-Style Breakfasts" will be available until 11:00 AM in Sutton.

The event starts at 8:00 AM with the small rifle shooting competition for medal qualifications, followed by a multilingual religious service at 11:00 AM. The afternoon will be filled with enchanting folkloric events and music. Yodel and alphorns will make hikers long for afternoons spent in alpine meadows, while musical groups from Switzerland and the region will make their feet tap. Families and guests are encouraged to participate in games for adults and children. Watch the Swiss-style wrestling competition ... try your luck in the small rifle shooting event, or take the chairlift to the top of Mt. Sutton and stroll while taking in the sights. Back again is the popular FSSEC lottery with 10 exciting prizes (First Prize: Montreal-Zurich return business class tickets). For the latest news see [www.fedeswiss.com](http://www.fedeswiss.com).

#### Swiss Women's Club Edelweiss

We are sad to report that we recently lost a long time member. Rosemarie Rich passed away peacefully on April 14 after a lengthy illness. Romy was an active member of the Edelweiss Club, having been both secretary and president. We will miss her smile and the twinkle in her eyes, not to mention her various contributions.

On a happier note, we are please to say that two new members joined our club earlier this year.

Once again, please look for our members at the Swiss National Day celebrations in Sutton. Many ladies will be seen wearing their Swiss costumes, working hard at the chalet selling items and tombola tickets.

We plan to have an apple-picking day in September at the Kessler Orchard in Farnham. Let's hope that we have another lovely day so we can enjoy our picnic lunch, wagon ride through the orchard and of course picking or buying apples.

Our annual bazaar will be held on Saturday, November 15 in the Treffpunkt Hall at 375 Louise-Lamy, Dorval.

This is the same location as last year's bazaar, which proved to be very successful. We plan to once again have our men-only kitchen, preparing a light Swiss style lunch. There will be plenty of room to sit and enjoy a cup of coffee and dessert, or a nice glass of wine. This bazaar is our main fundraising event, allowing us to support several local charities.

Our monthly meetings are held on the second Tuesday of every month, excluding July and August, at 7:30 p.m., also at the above-mentioned address in Dorval. Coffee and dessert are served following the meeting, with thanks to Lotti Balsiger and her team of helpers. Any woman of Swiss descent or married to a Swiss man may become a member. Guests are welcome; please feel free to join us.

First of all the Board of Directors of the SSV and all the Swiss-Canadians who could attend would like to thank the "Theatergruppe Heimatstil Calgary" for their two excellent performances on February 9, 2008, in Burnaby. For all of us who are still able to follow a Lustspiel in drei Akten (Comedy) in the original Swiss-Dialects, the "Flucht nach Tatakoto" by Daniel Kaiser created two hours of fun. To meet the gifted Swiss-Canadian actors from Calgary after the play in the Lobby of the Theater was most rewarding.

Secondly, we would like to thank the Consul General of Switzerland, Walter Deplazes and his colleagues and staff for having made possible to meet on Saturday, February 24, members of *Swiss Olympic, Ski Swiss, TV Switzerland, Presence Switzerland, Olympic Committee of Vancouver* at the Vancouver Alpen Club in Vancouver. Over 250 Swiss-Canadians from the Lower Mainland listened to presentations under the motto "2010 Vancouver/Whistler Olympic Games are approaching!"

The Vancouver Dorfmusik together with the Vancouver Swiss Choir contributed greatly to the great evening. The evening -

made possible by many generous donations- ended officially with a "Sing-Along" with the Audience and a mini-ad hoc Choir of members of the five presenting Swiss Organizations.

## Vancouver Swiss Canadian Mountain Range Association

The indoor shooting season ended on February 23-24 with the annual 10m Schuetzenfest and some good results were achieved. Thank you to all the participants, organizers and Kitchen crew who helped make it a successful event. Please check our web site for individual results.

Our outdoor shooting season started on March 16 and even so the weather did not co-operate, 33 members ventured out to attend the Safety-Course. Again Bob Best reminded everyone how important it is to follow all the safety rules.

We had two work-parties already and there is never a shortage of work. On one of them 11 ladies came out and gave the Clubhouse a thorough cleaning while the men cleaned up the Grounds and trimmed trees. So now we can concentrate on the target shooting and hope to accomplish excellent results, especially since there is a practice shoot on every Wednesday in all the ranges.

The next big event at the Chalet will be on August 2 when we celebrate our National Day. Also there is a Band from Switzerland visiting the Lower Mainland in September and we hope to get them up to our Chalet on September 21 for a Concert and Dinner. Check our website for more details: [www.scmra.ca](http://www.scmra.ca).

We will end our outdoor shooting season with the Saushoot on October 26, which of course will be followed by our traditional "Blut und

Leberwurst" feast. The Sausshoot is for members only but the dinner is open to all.

## Toronto Swiss Club

Our Past President, Erika Tièche - and Chair of the 90th Anniversary Organizing Committee - mentioned in her report published in the February edition that the Swiss Club Toronto this year is celebrating the 90th Anniversary of its founding. The Committee has done an outstanding job and we are very proud and happy to invite you to the

### SWISS CLUB TORONTO 90TH ANNIVERSARY PARTY

To be held on SATURDAY, SEPTEMBER 27, 2008, at the GRANITE CLUB, 2350 Bayview Ave., TORONTO (west side of Bayview Ave., north of Lawrence Ave.)

The cost of the event, partly subsidized by the SCT, will be \$50 per person for members of the Swiss Club and \$75 for non-members and includes a three course Dinner, door prizes and lots of entertainment. Peter Beck (Mississauga Express) has been confirmed as the Dance Band, as has the Swiss Farmer Band, Alphorn and Yodel contributions, and a very special performance by the well known Swiss - Canadian blues singer Shakura S'Aida (2nd place winner at the International Blues Challenge) [www.shakurasaida.com](http://www.shakurasaida.com).

We will publish a special edition of TELL TALE (Swiss Club Newsmagazine) in September 2008, which will include contributions from past Presidents, a short history, presentations of the sections and pictures.

You may well ask, why a 90th Anniversary Party? I put that question to our Chair Person, Erika Tièche and her answer was quite sensible and rational. There was no immigration from Switzerland to speak of from the mid thirties to the late forties. The fifties and sixties saw a large increase of Swiss coming to Canada and many of them settled in Ontario and particularly, Toronto. It has been that generation that shaped the Swiss Club Toronto in the post war years and our party is in large part meant to be a large "Thank You" to those who so loyally supported the Club and maintained its traditions.

It will be a great and fun evening for young and old and we ask you to make a note on your calendars and reserve Saturday, September 27, 2008, for an evening to remember. Limited seating.

For information and reservations please contact Sonja Evans at (416) 922 7532 or Erika Tièche at (416) 424 4661 or email [erika@tieche.com](mailto:erika@tieche.com).

#### Letter from the Prairies

Our First-of-August Celebration will take place on Saturday, August 2, at the farm of Dorli and Max Hug near Hepburn, roughly 30 km north of Saskatoon. There will be sausages (Cervelas) and buns. Participants bring everything else and, if they can, also an item to be shared with others. Please refer to our newsletter for further details and directions. Every year we celebrate in a sea of red Swiss candle light as well as lampions and flags that give us a special feeling of times past in Switzerland. The delicious flower pots and trees on the farm are contributing to an exceptionally pleasant ambiance.

Our June Picnic will be held near Pike Lake, on the beautiful acreage of Elisabeth and Kaspar Wirz. At the moment as these comments are written down, the exact date for the picnic has not yet been determined. Please consult our newsletter for the details. The Wirzes acreage provides a wonderful site for a great Sunday afternoon picnic everyone is looking forward to.

The winners of our 2008 Jassmeister awards are Laurie Gerber and Elisabeth Wirz. Congratulations to both ladies! It was a tough tournament on April 5 with a bunch of excellent players hard at work. Was it ever fun though! Jokes galore flew back and forth, and you could hear the laughter from out on the street already. Some, but not all of this cheer could be attributed to Rösli's fine "Kafi Chrüter". A huge thank you goes to Rösli and Georg Nievergelt for hosting the event. We also express a special thank-you to the three players who came all the way from Prince Albert. We hope their much appreciated participation becomes a tradition.

For a while now the news have been reporting on the economic boom in Saskatchewan, which, as we know, is due to an increased worldwide demand on our natural resources. We are experiencing changes at a dizzying pace: Land prices have gone up almost everywhere in the province. A great number of new people are moving in from elsewhere in the country. The city of Saskatoon specifically is experiencing an increase in property values never seen here before as well as a strong increase in road traffic density. The developments are breathtaking but they do take time to get used to. We have hardly had time to realize that while our homes are fetching a lovely price now, there are people who are renting and that those people do face steep rent increases. As for the traffic: we have neither adjusted to the crowded streets, nor to the speed, nor to the astonishingly creative moves by some drivers. Therefore, let us all slow down and think a little, and let us drive with special caution this summer. Have a happy summer and please take care!

### Gym Section Toronto

Are you interested in a canoe trip? And don't worry if you have never sat in a canoe.

Like every year the Gym Section of the Swiss Club Toronto is organizing a canoe trip to Algonquin Park on the long weekend August 2 to 4. We leave very early Saturday morning and rent canoes before we enter the park. We have our eye set on a lake, to get there we will paddle for 4-5 hours and carry canoes and camping gear over 4 short portages. Once there we look for a nice campsite and setup camp for two nights. On Sunday everybody is free to enjoy, relax or read, soak up some sun or soak in the water, do a little tour with the canoe or some hiking. Then on Monday the real world is already calling again and we will get back to Toronto in the evening.

If you are interested get in touch with Walter Brunner at (905) 508 8014 or email [walter.brunner@mapinfo.com](mailto:walter.brunner@mapinfo.com). The cost per person will be about \$70, space is limited so it will be first come first serve.
