Embassy: Changes

The first of a series of changes due to happen this year has already taken place at the Embassy

After spending some four years in Canberra, the Deputy Head of Mission, Mr Alain-Denis Henchoz, left Canberra on 5 May. Two days later, he took up his new duties in Brussels. Anne Henchoz, his wife, will follow him, together with Damien, at the beginning of July.

His position in Canberra was not vacant for very long. Indeed, his successor, Mr Claude-André Barbey, already arrived on 8 May, together with his wife, Claude. He was previously posted in Bratislava.

Consulate. Consul Change in Queensland

A word of appreciation to outgoing Honorary Consul Peter Gloor

Dear Compatriots,

Mr Peter Gloor has been Honorary Consul for Switzerland in Queensland since March 1995. Last year, Peter expressed his personal wish to resign from the mandate of Honorary Consul for Switzerland in Queensland and hand over the duties as soon as a new Honorary Consul has been appointed.

In the name of the Swiss community, the staff of the Consulate General in Sydney and myself, I would like to take this opportunity to sincerely thank Peter Gloor for the outstanding job he has done over these past 13 years. He was there 24 hours when help was needed. He assisted numerous Swiss citizens in need and at the same time, was also a valuable to help so many Australians who required information or advice in regard to Switzerland.

Peter carried out his duties in a highly responsible and professional way. His excellent ties, not only to the Swiss community but also to all the various Australian authorities, helped enormously to further cement the already existing friendly and good ties between the two countries.

I also would like to extend our appreciation to Peter's wife, Valerie, who supported and assisted him during all these years in a very professional and discreet way. She had the necessary patience and understanding for the additional workload this mandate brought unto her husband. Thank you Valerie for everything you have done for the Swiss and Switzerland!

Peter, once again, thanks for the wonderful cooperation, your professional input and wisdom. Take good care of yourself and enjoy the retirement wherever you are. We, from the Swiss Consulate General, wish you and your family only the very best for the future, success, happiness and not to mention, good health.

Take care Mate!

Jurg Casserini, The Consul General of Switzerland

Embassy Changes (continued)

While in Canberra, Mr Henchoz witnessed many interesting developments and events in Australia and its neighbouring countries. He also participated in the preparation for the visits of two Federal Councillors and of a delegation of Swissmedic, which contributed to the strengthening of bilateral relations between Switzerland and Australia. Finally, among others, he devoted much attention to Swiss interests in the field of economics.

The latter are particularly important. Not only because Switzerland is one of the main foreign direct investors in Australia, but also because numerous Swiss companies, whatever their size may be, are active in this country. It is important that they evolve within a framework of supporting their activities and development.

Alain-Denis will be remembered for his efforts to represent Switzerland, its languages, its cultures, and its customs, in Canberra schools. His efforts to stage presentations on Switzerland in French, stimulated the French-speaking part of the Swiss community in Canberra and Sydney.

CSA, AHV Rent recipients and UPP

Contrary to some other European countries, no special arrangements are in place for those who wish to apply for an income tax deduction, since they have at the time made their AHV contributions after paying income tax. Such a deduction may be possible, but must be applied for individually from the Australian Taxation Office by submitting a request for a private ruling. The corresponding guidelines are in a publication of the Australian Taxation Department, "Undeducted purchase price of pensions and annuities (Section Foreign pensions or annuities)". It can be obtained from the Australian Government website. This will then allow one to download the form, "Request for a determination of the deductible amount of UPP of a foreign pension or annuity". You may also request the information by phoning the ATO. Figures of your annual contributions may be obtained from the AHV authorities in Geneva. Please note that only your own personal contributions should be used and not the employer contributions.

Dear Readers,

I would like to reflect on the Swiss Festival which took place on 6th April 2008 at the Austrian Club, Heidelberg West, Victoria.

The idea for the Swiss Festival was born a few years ago and was previously organised by the Swiss Club of Victoria as a fund raiser for Swiss groups. At the meeting of the Committee of Joint Swiss Ventures (CJSV) it was decided to use this tried and tested model as the major event of the year to present a united multicultural Switzerland to Victorians. At the same time it was to give Swiss community groups a sense of belonging after the closure of the Melbourne consulate. In the process these groups met once a month to forge closer ties and to assist each other with promoting functions etc.

Back in November 2007 a newly set up Swiss Festival committee promptly took charge of the organisation. Finances and sponsorship had to be secured and a fair amount of time was spent on advertising and promoting the event. The Swiss Festival appeared on many websites and leaflets were dropped off at the Melbourne Visitor Centre (Federation Square.) In the end the combined effort of the committee paid off and sponsorship in form of money and raffle prizes was obtained. Putting the program together was no small task either considering the choice of talents the Swiss community has to offer. Again we managed to present a variety of interesting performers and also added children entertainment (Jumping Castle and roving magician.)

The Austrian Club in Heidelberg West was again our venue of choice. The excellent cooperation between the two clubs facilitates the occasion. And the beautiful garden with the children's playground, the stalls and ample parking creates the desired effect for what we wanted to achieve.

When the big day finally arrived, the huge turnout caught us by surprise. It was an uplifting moment to see so many young people, families with children and so many new faces. The overwhelming support of our members and friends of the Swiss Club was a humble but fulfilling experience for me. Being an outdoor event we enjoyed a glorious day which was essential to the success. It was estimated that the number of attendees was close to 1'000. Over 750 sausages, 60kgs of potato salad, three wheels of cheese and more than 500 cups of coffees were consumed and the kitchen ran out of plates halfway through the day! The program was packed with highlights and the visitors seemed to thoroughly enjoy the dances, music, Yodel, Alphorn Blowing competition and various other presentations. The Swiss community groups had their own stands with information on their organisation and membership. Some of

them sold traditional foodstuff, souvenirs and pre-loved items.

However our stated goal was to involve all Victoria based Swiss community groups in the Swiss Festival. Looking back the entire committee is 100% pleased and satisfied with the commitment that each one of them put forward. We are one Swiss as Erika Kimpton, Honorary Consul of Switzerland (Victoria) coined the event. Going forward, I am happy to advise that we have a mandate to organise the next Swiss Festival. I hope we will see you all in 2009!

The Swiss Festival committee thanks its hosts the Austrian Club and acknowledges the generous support of its sponsors, entertainers, Swiss community groups, friends and volunteers and looks forward to a continuous partnership.

The Swiss Club of Victoria looks forward to welcome you at the club or at one of the many fantastic events.

Our yodelling and 'tschäderebäng' performances at the Swiss' Italian Festa in Daylesford and Hepburn Springs appeared to be greatly enjoyed by the audience - they reminded us that the efforts we put in at our Wednesday evening practice sessions at Marco's place are well worthwhile. You're very welcome to join us at one of these sessions, come and see how much fun we have!

Soon part of our choir will perform to a much larger and more critical audience: at the Eidgenössische Jodlerfest Luzern, together with the Swiss Yodelers from Sydney.

The next function organised by the Matterhorn will be the family picnic at the Gembrook Sports Ground to celebrate the Swiss National Day. Entry is free and traditional food and drinks will be available from midday. The celebrations will culminate with the lighting of the traditional bonfire later in the afternoon. We look forward to seeing you there!

On May 3 we had our traditional Unterhaltungsabend at the Swiss Club. What a night! Full house! Great ambience! Kappelle Gruezi mitenand under the leadership of John Wanner did not fail to have an effect on the patrons.

Everybody sang to the popular tunes with the Band's medley. Many thank to John and the Band for sharing their enthusiasm and energy! The special performances by individuals found great applause. The group enjoyed the opportunity to perform dances to life music provided by "Gruezi mitenenad"

To Roger and his dedicated staff, thank you for the delicious meal and excellent service. A very big thank you to everybody who so generously donated prizes towards our Tombola. To all the friends of the Dance group, thank you for being part in making the night a success. Practise is every Tuesday night at the Swiss Club. We would like to have more members. The Easter Picnic has once again been a great event, a big thank you goes to the Mums from the Playgroup for organizing it.

So much is happening at the Swiss Club from now on. First up it's the Raclette Night. Besides having our Raclette Machines doing overtime, we will be sampling the 2008 Swiss Club Red Wine, called "Font-Ant" and the Swiss Club White Wine, called "s'Tröpfli"

A week later we'll challenge you at the card table. It is our yearly Jass-Meisterschaft. Participating comes before winning

The next event will be the Wine Bottling. The hands on event is very much liked. Make sure you have somebody picking you up, or your car, at the finish. It's \$ 6.50 a bottle if you join in the fun of sampling, bottling, labeling and packaging, or \$ 8.00 a bottle if you can't help.

The highlight of the year, again will be our First of August Ball. This year, we will be celebrating in style at the Novotel Vines Resort. You don't need to be a Swiss Club Member to participate. Make sure you bring along a few matches to keep your eyes open. The bar does not close until 3 am. Order a room at the Resort and stay the night or Weekend at our corporate rates. The Bonfire will be on 9th August at Rolling Greens. The Swiss Club committee will again have plenty of specially made Cervelats and Bratwürste ready for you to buy and barbeque. Just bring your Kids along and let them join in the lampion parade. The last event will be the AGM. Don't ask: "What can I get out of my Swiss Club Membership, ask - what can I put into the club. It is the same with your Bank Account. If you don't put anything into it, you won't be able to take anything out of it. All the best until the next issue.

A group of SACA members from Sydney enjoyed a visit to Canberra on Sat 10 May to join in a full house at the Embassy of Switzerland to hear the brilliant performance by the Swiss Piano Trio as part of the annual Canberra International Music Festival. SACA member, Bronwen Kretz, said "The acoustics in the large entertainment area gave one the feeling of being immersed in an entire orchestra. The award winning trio lived up to their reputation and the audience were rewarded with their spell binding music which was followed by a magnificent buffet."

In Sydney on Friday, 13 June, Dr. Helmet Jerjen of the Mt Stromlo Observatory, Australian National University Canberra, was guest speaker for the SACA Annual General Meeting. His presentation on "Tales of Stars and Stellar Systems" is a spectacular visual journey through space and time to explore the glorious life of the sun, learn how we can potentially solve our energy crisis on Earth, and find out why we should rightfully call ourselves the 'children of the stars.

The 2008 AGM was a time for change for SACA with President Marjorie Anderson stepping down on completing her two years. Once again the combined dinner dance with the Swiss Club and the Swiss Community Care Society held at the Austrian Club was a great success. The music and entertainment was enjoyed by all attendees. The camaraderie combined with the opportunity to wine, dine and dance enhanced the ambience of the evening.

We are about to take off in flight for the Eidgenössischenjodlerfest to be held in Luzern from 27-29 June, hope to see you there. A reunion has been organized for former members of the group now residing in Switzerland.

When we are back in town its full steam ahead for the annual Swiss National Day Celebration at Plumpton. This year we are celebrating our 40th Anniversary and look forward to introducing you to the Trio Alba from Ticino, CH, the Basler Piccolo und Trummler from Sydney together with the Tyrolean Echoes will provide a musical happening not to be missed. We look forward to welcoming you from 11 a.m. at the Fransican Capuchin Conference Centre, Jersey Road, Plumpton.

Gruenzi, bonjour, buongiorno

First of all I would like to officially congratulate Daniel Gschwind on his appointment as the new Consul General for Queensland. He will be the first point of contact for Swiss people in Queensland, who need help or advice. Daniel is taking over from Peter Gloor, who served in this official position for many years and who regularly attended our Swiss Club functions. I would like to wish Peter and Val all the very best for their endeavours and safe travel around Australia.

With wintertime and the cold season upon us we all know that over the next few months the spotlight will mainly be on Swiss culinary specialties at our Club. Another important date and the biggest of all the functions we organise is the the National Day in August. This is a great occasion for all Swiss, their families and friends to get together for a great day and we will have lots of different fun activities on the day. The Yodel Choir will also be playing, we will have different stalls and nice foods will be served.

As we have done last year, we plan to hire a bus to join our fellow compatriots in Brisbane for the National Day celebrations on Sunday, 3rd August. You need to let me know as soon as

possible - there will be limited seats on the bus! Cost will be kept to an absolute minimum (cheaper than driving), AND you are permitted to have a drink too if you want to!

On Sunday, 5th Oct we'll have a Family Picnic at the magic place, Little Nerang Dam. Why not become a member in an active local Swiss Group? Give me a call.

Our club is only young and we welcome new members to join us for regular functions throughout the year. We recently got together for a bushwalk and picnic at Kondalilla Falls and enjoyed a lovely day in good company, some doing the long walk, others going straight to the picnic!

Please contact us for more info.
