**swissinfo.ch - dossier on the International Red Cross  
and Red Crescent movement**

swissinfo.ch is marking the 150th anniversary of the Battle of Solferino with a dossier on the International Red Cross and Red Crescent movement. The dossier offers a comprehensive overview of the history, activities and development of the Red Cross. It includes interviews and analyses with key figures and experts on Switzerland's humanitarian tradition, such as Foreign minister Micheline Calmy-Rey and ICRC President Jakob Kellenberger. swissinfo.ch also looks into the current debate on international law that was sparked by the detention camp at Guantánamo Bay, as well as the future challenges facing the organisation. All information is presented in multimedia form with text, videos and picture galleries.
