Our Annual General meeting was held at the Vieux Kitzbuehel Restaurant on Ile Perrot, and once again we enjoyed a delicious meal along with excellent service.

There is a slight change in our 2010 committee, in that Christian Walz is now our Vice-President, and Annelise Oppliger is our Member-at-large. The following committee members have agreed to stay on in their current positions: Donat Davatz as Treasurer, Raymonde Pfister as Secretary and Walter Spirig as President.

Our winter fun weekend at Mont Tremblant was a huge success, where we could enjoy the great outdoors, the traditional fondue dinner, singing, games and friendship. Daytime activities included something for everyone: skiing, snowshoeing, visiting Mont Tremblant Village, walking in the woods, or just sitting in a comfortable chair enjoying a good book.

New members are always welcome.

How about joining the Swiss Rifle Club

The Swiss Rifle Club Toronto (SRCT) was inaugurated in 1985 to provide Swiss expatriates the opportunity to practice this popular Swiss sport and tradition. It also gives every Swiss living abroad the possibility to shoot the annual "Obligatorisch, Feldschiessen and Einzelwett" (Compulsory) program with a Swiss Army Rifle, shooting at an official Swiss target. It is the clubs aim to stay active and appeal to the Swiss Community to support us by joining our ranks.

LETTER FROM THE PRAIRIES

Saskatoon is saying good-bye to Doris and Peter Bietenholz, who will be moving to Vancouver shortly. Among countless friends the two, a university professor and a French teacher, are leaving behind a legacy of active support of the arts and of cultural events. In particular, they were big promoters of the Museum of Antiquities, contributing substantial donations of artifacts that will be enjoyed by generations of people in Saskatchewan. They also belonged to the first group who supported the formation of the Swiss Club Saskatoon thirty-one years ago. Their genuine interest in the lives of people aided in giving the club that remarkable cohesion it now has. We wish the couple a good start in the new city. Doris and Peter will be missed.

Saskatoon hosted the Junior Hockey World Championship 2010 after Christmas and into January 2010. International sports events are a rarity in Saskatchewan. We people of Swiss descent were especially excited when we learned the Swiss Junior Hockey team was coming to participate. The Swiss Club Saskatoon lent support for the Swiss team in any way possible. Many came to the airport to welcome the young players, who arrived from a long flight at midnight. As a novel sight and sound, our patriotic flag waving and cowbell wringing caused quite a stir at the airport. The same noise greeted the Swiss team at the arena every time the players stepped on the ice. We taught Canadians how to scream "Hop Schwyz!" And was it ever contagious! The Swiss reached a respectable fourth rank in the championship. But the highlight was the defeat of the Russian team by the Swiss players by 5:3. The Saskatoon crowd of 14'000 went wild. The happy memories will stay with us for years to come.

Our Raclette Party on February 21 was a very enjoyable event. It was held at the home of Rosa and George Nievergelt in the town of Warman. The weather co-operated nicely, and therefore the turnout was excellent. Our thanks go to the gracious hosts.

Louise Grassmann

Ouvrage Antoine de Courten

Les régiments de Wattewille et de Meuron dans la 2e Guerre d'Indépendance des USA contre l'Angleterre

Le col Antoine de Courten traite de cette guerre de 1812-1814 au Canada en poursuivant deux objectifs principaux :

1. Le corps principal de l'ouvrage, le raid sur Oswego et quelques anecdotes proposent une lecture facile au public visitant les sites des champs de bataille.
2. Les appendices, quant à eux, sont destinés à donner une meilleure compréhension de la planification et de la conduite des opérations sur le front de Montréal durant l'hiver et le printemps 1814, tout comme de celles du front du Niagara l'été de la même année. Les aspects tactiques des batailles sur les rivières Niagara, Châteauguay, La Colle et Richelieu sont accessibles à tous. Le jugement de Sallaberry sur la Châteauguay et la bravoure des Voltigeurs canadiens y sont appréciés à leur juste valeur. On y découvre aussi que les ordres, les principes généraux de la conduite au combat ainsi que la gestion des risques et des opportunités ne sont pas vraiment différents de ce qu'appliquent les forces armées de nos jours.

Le livre est rédigé en anglais mais contient un extrait en langue française, très représentatif pour l'époque, des dispositions relatives à la peine de mort, au passage par les verges et au comportement général des troupes du Régiment de Watteville de 1795.
