swissinfo is essential!
Help us save it!

On 25 February 2010 the Swiss federal government announced that it intends to discontinue its financial contribution to swissinfo as part of its budget program for 2011-2013.

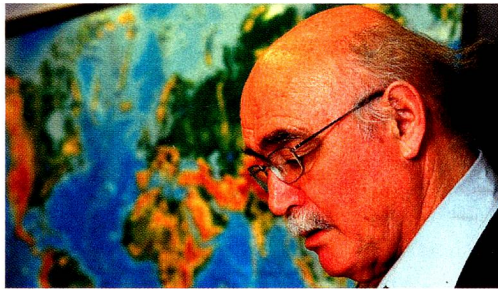

The Organisation of the Swiss Abroad (OSA) regards this decision as incompatible with the government's international obligation to provide information, and contradictory to Swiss Broadcasting Law. The Swiss Broadcasting Cooperation is obligated to serve as an information service provider to the around 700,000 Swiss citizens living abroad with special emphasis to those 130,000 Swiss citizens enrolled to vote.

The Council of the Swiss Abroad (CSA) has repeatedly indicated its support for a strong international presence of SRG SSR ...

swissinfo is Switzerland's virtual window to the world and provides an essential information service to Swiss abroad – and that is the way it ought to stay!

The OSA is campaigning to save swissinfo and is asking for your support! We encourage all Swiss in Australia to leave a message on the swissinfo blog:

Our year has started with the two most enjoyable choir performances: first we shared with the Alex Cole Salon Trio

a 'Sunday Afternoon Music (SAM)' program at the Heathmont Uniting Church, devoted to Music from Switzerland. Then, we participated in the very popular 'Swiss Festival' on 21 March. Our choir practice sessions are now further inspired by our plans to take part in the next Swiss Yodelling Festival to be held in Interlaken on June 2011.

If you are also inspired by singing in a group of friends, you're very welcome to join us at one of our practice sessions on Wednesday night at Marco's place.

The Swiss Club meets on the first Friday of the month at the Austrian Club in Ovingham for socialising and getting together with other Swiss people. We would be very pleased if members and friends would come and join us for a chat, drink or even a meal.

We are in the progress of updating the list of the Swiss Club members. Please don't hesitate to contact us if you haven't received any mail from us.

The first event for this year was at Willunga - Fleurieu Peninsula. We had a stall at the Tour Down Under where we sold traditional made sausages "Cervelet and Bratwurst" with Buerli. Thanks to all the volunteers who helped on the day at the stall. Many went to watch and cheer at the cyclists as they raced through Willunga.

In February, we spent the Camping Weekend in Port Eliot. The weather was beautiful with many members and friends spending the weekend at the excellent seaside location. After the set up, a few members went for a swim in the sea, played or just relaxed on the beach, and later in the evening, went for a dinner at a local pub. It was really enjoyed by all.

On the 11th of April 2010, we will have our Bushwalk at the Belair National Park. We meet at 10.45 am at the gate for a pleasant walk and have a Picnic at lunchtime. We hope you will join us on the weekend after Easter to catch up with friends and relax in the peace full settings of the national park.

We hope to see you and your family / friends at the upcoming events (book early for the Fondue night - contact Ruth for booking and payment)

We had our AGM on 21st of March at the Dutch Club. Tempers heated up, because of a motion to again finance our Swiss Radio. The motion was finally passed in the positive. The Swiss Radio spent a year in the wilderness, only relying on sponsorship money. Last year's AGM's motion had taken away all financial support to the Radio, saving \$3,000.

Our Vice-President, Keith Worley, was the only Committee Member standing up for re-election. Our new Committee now, reads as follow:

Helen Ostrini, President
Keith Worsley, Vice President
Patrik Ostrini, Treasurer
Marianne Rentsch, Secretary Memshp.
Nicolas Alberto, Editor/Webmaster
Pierre Bratschi, Property Manager
Ursula Knecht & Leo Schuler, Members

After all was said and done, we all got stuck into the "Wienerli"/ potato salad "Zvieri", followed by donated cakes and coffee. Thanks to Annalise, Katherin & Marianne for preparing the meals.

Dear members and friends

Already, we are well into 2010 and able to look back on some very enjoyable functions this year. There seems to be a growing trend in activities centred on food. Whenever food is involved, a good time is certain to be had. This was true at the traditional raclette, held under the stars at the coast weekend in March. The cooking courses, held over three Tuesday nights (also in March) were a great success, so much that we had to limit the number of participants. Our expert members, Werner, Lina and Alice demonstrated how to make 'Laugenbretzeln', 'Chäschüechli' and 'Fastnachtschüechli'. The students received hands-on coaching with many extra tips along the way from Chef Peter. Overall, these were three memorable and fun-filled evenings not to be missed. While this marks the end of the current series of cooking classes, it looks like they won't be the last.

As previously announced, we are planning a whale-watching cruise at the coast for October. This will be a great opportunity for young and old to participate in an organised outing. More details on this will be sent to you in the newsletter and I urge you to register your interest when the call comes to do so. You don't want to miss out on this opportunity.

During the latter part of 2009, the Swiss Yodlers sang at a fund raiser and also at the Christmas luncheon for the Swiss Seniors.

The yodlers have once again taken up the ringing of Swiss cow bells which adds to their performance.

Sydney Harbour did not fail to please those on board the Annual Harbour Cruise. Numerous guests from overseas and interstate onboard experienced what for many was the highlight of their stay. Our thanks to "de Schwoergrlis" Chrigu and Urs who flew from Melbourne to entertain those on board.

The yodlers have been invited to perform at the opening of the Swiss + Oz Art Expo, to be held at the Bondi Pavilion Gallery, Bondi Beach on 20 April 2010.

Nothing to do on a Monday evening?
Like to stand around?
Is red your favourite colour?
Do black trousers suit you?
Can you sing in Swiss German and stay focused on a man constantly waving at you? Then maybe, just maybe, the yodlers are for you!

SWISS HISTORICAL SOCIETY

'Un pour tous, tous pour un' (One for all, all for one)

This message of solidarity, probably inspired by Alexandre Dumas' novel "The Three Musketeers", became the unofficial motto of Switzerland in the middle of the 19th century, and in 1902 its Latin version "Unus pro omnibus, omnes pro uno" was inscribed in the cupola of the Federal Parliament (Bundeshaus) in Berne. Not surprisingly, the Swiss Society of New South Wales, which preceded the Swiss Club, quoted it (in French) in its annual reports from 1917 onwards.

The Swiss Historical Society is calling on your sense of Swiss solidarity, because we still need material for our book!

While the sections dealing with the activities of the various community organisations are almost complete, we are still looking for the following:

- family histories, especially of Swiss families with several generations in Australia;
- memoirs or mementos of important Swiss personalities, such as Fritz Huber of Mount Wilson;
- photos and / or other documents of Swiss restaurants and shops which no longer exist;
- other historic material you think may be of interest; contact us before you throw it out!

A big thank you

to all those who contributed material, especially to Helen Shiels who provided a photo of the 1931 Swiss Club Ball featuring her parents.

Gruetz, bonjour, buongiorno, g'day to all Swiss in South East Queensland

The year has started well and we have already had a fair few functions at the club. They were mostly well attended and we have also had quite a few new visitors. Don't forget that Fondue, Raclette and Metzgete are always big hits, so book early to avoid disappointment!

Jass, every second Thursday. Contact Hans Heer on 07 3844 6529

Tennis, every Wednesday night from 7:30 pm in Fairfield. Call Marc on 07 3899 8996.

Swiss German Playgroup, every second Tuesday, and meets at different playgrounds. Contact Katrin on 3829 6638.

As usual, we invite anyone with a Swiss connection to come along to any of the events. There is always a real mix of nice people you can meet and mingle with.

If you have any questions please do not hesitate to contact me or any of the committee members.

Our club year started with our general meeting where a new committee was voted in. We aim to organise several exciting functions throughout the year where members and newcomers mingle, enjoy good company and a fun time.

We are planning a bushwalk on the ranges on Sunday, 2nd of May, with a choice to walk a more challenging track or take an easier route back to the picnic area.

Our 1st August National Day celebration will be held on Saturday, 31st July, at one of our members' rural property where we will have a bonfire and great Swiss food. So come to our events and enjoy the company of your fellow Sunshine Coast Swiss, catch up with old mates and make some new friends! Please check out our website for more info.
