The exhilaration of art

Surrealism, inspired by André Breton and Sigmund Freud, was one of the most important artistic and literary movements of the 20th century. The artists of surrealism opened doors to the unknown and the disconcerting. A unique exhibition on "Surrealism in Paris" is now on display at the Fondation Beyeler in Basel. This features almost 300 paintings, manuscripts, objects, items of jewellery, photographs and films from around 40 artists.

The exhibition at the Fondation Beyeler will close on 29 January 2012. It will then be displayed at the Musées royaux des Beaux-Arts de Belgique in Brussels (16 March to 15 July 2012)
