Pre-Alps Express, Central Switzerland

## The charm of the Pre-Alps.

The Pre-Alps Express (Voralpen-Express) will take you on a romantic journey along the water and the gentle slopes of the Pre-Alps.

The Pre-Alps Express connects Lake Constance to Lucerne via St.Gallen in 2 hours 45 minutes. This 149-km pre-Alpine cross-country link is not a journey made up of superlatives, more a pastoral route that will let you admire the landscapes of the Toggenburg, the shores of Lake Zürich and the Rothenthurm marshes. It will show you the charm of the Pre-Alps, of rocks hidden behind gentle hills and coniferous forests. Along the route, make a stop to stroll around Rapperswil and breathe in the scent of its roses or admire the historic treasures of St.Gallen.

### Green views

As far as the eye can see in spring and summer, the entire route of the Pre-Alps Express is dominated by green. The green of the pastures of Toggenburg, the vineyards at the tip of Lake Zürich and the highland forests. Escape on an unforgettable journey in the summer season.
