Travel Admin app

An unforgettable trip starts with being well prepared. Travel Admin is the app developed by the Federal Department of Foreign Affairs (FDFA) to replace the itineris app. The Travel Admin app meets your needs with a simple layout and a fresh, appealing design. In addition to the integrated trip registration, you can update your current location at the touch of a button, so the FDFA can contact you more easily if there is an emergency situation at your destination. The app allows you to search and display on a map all Swiss representations abroad that provide services to Swiss citizens. You can create and manage your own

travel checklists and consult the FDFA's Travel Advice.

The FDFA's comprehensive travel app also features information from private-sector partners. Travel Admin app is available for download from the Apple and Google app stores. Bon voyage! (EDA)
