Sydney Jungbürgerfeier

On Thursday, 11 March the Swiss Consul General hosted the 'Young Citizen Celebration', the customary information evening for the young Swiss having reached 18 years of age. This year was the first 'after Covid' event the Consulate was able to stage, in 2020 it was not feasible.

About a dozen of the young Swiss from around Sydney, some with their parents, were welcomed at the residence of the Consul General of Switzerland, Mrs Bernadette Hunkeler-Brown. She was supported by various consular staff members, who all explained the roles played by the Swiss Embassy, Consulates and Honorary Consuls in Australia. Their main emphasis is built on representing the Swiss Government in Australia and to serve the Swiss Diaspora in their dealings with the Swiss authorities.

The guests were enjoying some Swiss delicacies prepared by Chef – and President of the Swiss Club in NSW – Daniel Frutiger, who also invited the young citizens to a Swiss archery event.

CSA Delegate, Beat Knoblauch, informed the audience of the importance of the Council of the Swiss Abroad, which lobbies for all of us. He also stressed the rights and the duties attached to the red passport and urged them to register in Switzerland to vote and elect.

To test their knowledge on all matters Swiss, the Consul General distributed a quiz which many answered to full satisfaction and the winner was awarded a pictorial album. The evening finished in a happy mood, not without smiling at a camera for a group photo taken by Nigel Brown.

Equal access to education in Papa New Guinea: A Swiss contribution

In many parts of Papua New Guinea, public schools remain significantly underfunded, teachers insufficiently trained, and a general lack of books and teaching materials curtails the delivery of quality education. Particularly in remote areas, children are unlikely to reach high school and many remain illiterate for life, with girls being the worst affected.

To increase literacy rates, empower vulnerable children and improve equal opportunities for all, the Swiss Embassy cooperates with Buk bilong Pikinini (BbP: 'books for children'), who has established over 20 publicly accessible Library Learning Centres across the country, supports over 1200 children with early childhood education, and provides teacher training for selected schools. BbP works with target communities and makes sure that boys and girls as well as children with special needs have equal access to education.

A learning environment does not only benefit young children, but also adults during difficult times of their lives: Among recent projects supported by the Embassy, BbP facilitated the restocking of empty book shelves in the Bui-lebi prison library to support literacy of inmates and assist with their future reintegration into society.

Starting this year, the Swiss Embassy, BbP and Swiss faith-based organisations based in PNG are cooperating on projects to pool resources and advance common goals. Thus, Switzerland is able to support the Government of Papua New Guinea effectively in its endeavour to deliver education to remote or poor communities in this vast and beautiful country.

NZ: Hamilton Swiss Club

50 Meter Shooting Competition was held on 20 February. It was a great day, but the turnout was on the low side with only 12 people participating in the program.

Family Picnic was held on 21 February following a week of lockdowns and very much the unknown of how this event would go ahead. For once we

struck a beautiful hot summer's day – perfect for a picnic.

Upcoming Events:

9-11/4: Ruaphehu Hiking Weekend staying in Ohakune with various walks and hikes planned for all ages and abilities. It may be too late to sign up for this but if you are still keen you could try and contact Herbert 021 962 708.

30/4: Hamilton Club AGM at the Union Parish Church, Queen Street, Cambridge. 7pm for a card practice and general tuition and 8pm the meeting will commence followed by a light supper. A plate would be appreciated. We would love a great attendance at this event and welcome any ideas and feedback about our club activities.

2/5: Tentative date for Cowbell semi-final in Auckland.

14/5: Card evenings commence for five sessions, fortnightly at 7.30pm at the Union Parish Church in Cambridge.

22&23/5: 300 metre shooting weekend to be held in Auckland at the club shooting range. Please mark this date in your calendar if you are a keen shooter. Hans will provide further details closer to the time.

5-7/6: Swiss Society Cowbell Competition & Swiss Society AGM, 2pm at the Matangi Hall, Hamilton.

For further information please email anita.zuber@swiss.org.nz or phone 0274 985 170.

NZ: Taranaki Swiss Club

On 13 February we held our semi-final of the **Cowbell Competition** against our friends from Wellington. We got off to a good start by winning the shooting, with Wellington evening up the results with a close win in the keglen. The shot put ended up with a convincing win for Taranaki, as we waited for the jassers to finish, and fortunately for us we came out with a 3-1 win in this discipline. Taranaki will now play off against either Auckland or Hamilton in the final of the Cowbell Competition for the coveted trophy; the fierce, but friendly, competition for the Cowbell is the main reason our Swiss Clubs get together every Queen's Birthday Weekend!

Our fabulous **Annual Picnic** was held on 14 February (this was very fortunate as the following day our Covid level restrictions went up as well as the weather being atrocious!!) with an excellent crowd. BBQ and children activities were held, but for most the

Schwingen in Taranaki – even the young ones know how it's done!

Hamilton Family Picnic – the bowling alley is busy

Swiss Kiwi Yodel Group Auckland at the Orewa Boulevard Arts Fiesta

highlight was the Schwingen where three sections with a total of fifteen people competed. The Schwingen König was Erwin Hebler with Andrew Breen second; the juniors' winner was Adam Frieslaar with Mattia Buhler runner-up and in the midgets Charlie Werder prevailed over Tayla Dettling. It was wonderful to see the adults having tough battles, but the midgets are always great entertainment!

Upcoming Events:

1&15/4: Keglen at 7.30pm

11&18/4: Jassen at 1.15pm

18/4: Society/Championship Shoots from 1pm

6&20/5: Keglen at 7.30pm

8/5: Our fabulous fondue evening with meals served between 6-8pm

16/5: Swiss Society Sports Competitions from 11am

23/5: Jassen at 1.15pm

5-7/6: Swiss Society Cowbell Competition & Swiss Society AGM, 2pm at the Matangi Hall, Hamilton.

Multicultural entertainment at the Orewa Boulevard Arts Fiesta.

It was Valentine's Day, beautiful weather and Orewa was packed and humming with people from all over Auckland! A sound stage was set-up in Moana Reserve, right at Orewa beach and the entertainment started on time at 10.30am.

A very International program began with a colourful Colombian Dance Group and their always popular South American beat. The Puhoi Bohemian Dancers entertained in their national costumes and of course with Bohemian tunes and steps. We must not forget the Scottish Country Dancers, Hibiscus Tuakana, The Singing Nations Choir, a Korean Performing Arts group.

The Swiss-Kiwi Jodlers were among them with two times 20 minutes delighting the audience with jodel and alphorn tunes.

It was nice to see so many Swiss supporters to come to cheer us on.

ACT: Canberra Swiss Club

The Canberra Swiss Club is organising future events again. It looks like we can ramp up the committee and its volunteers to have some fantastic events coming up.

We had our annual trip to Durras North for the Canberra long weekend. It's very pleasant to stay right at the beach in the cabins. Saturday night we had our Raclette evening under the stars. There is always lots of eating, drinking and talking. Singing a few Swiss

songs before dessert is also pretty common. It was a fantastic weekend away from home.

The weather was holding up, so that we were able to do some bushwalk, swimming in the river inlet, fishing from the beaches and playing a round of golf.

The next bigger event will be the Fondue night, followed by the 1st of August National Day. The committee is working hard to make these events a success. Hopefully we can have both events here in Canberra without any Covid-19 restrictions...we are very positive!

NSW: Swiss Yodlers of Sydney

After 12 months 'down, but not out', we plan to resume our activities after Easter with newly found energy and unfailing determination! Numbers permitting, our first official appearance after our involuntary break from all singing will be on 29 July at the **Seniors' Swiss National Day Luncheon**, organised by the Swiss Community Care Society.

The wheels are also in motion for the planning of our traditional **Swiss National Day Family Picnic** at Castle Hill Showground, this year appropriately falling on the Sunday, 1 August. We would like to welcome as many of you, and members of your families and friends, as possible in line with the restrictions that may still apply or may have been lifted altogether. Please stand-by for further news that will be circulated via News Flash from the Swiss Consulate General in due course.

On reflection, some notable and very pleasing facts have not been overlooked: Our untiring Alois Kretz is now in his 13th year of our club's presidency, the longest serving Leader, a very outstanding and impressive record indeed. If it crossed his mind perhaps at times, to hand over the baton: it's not on, we won't let him! Bravo Alois!

Another fine achievement is the record of Hans Moser, who has jumped over +50 years of club membership, without much ado and fanfare. Not only has he been a very dedicated second tenor and a reliable stalwart of our

NSW: Swiss Community Care Society (SCCS NSW)

You may have read in the last Swiss Review that we have appointed several Swiss people in Country NSW as representatives for SCCS. They are happy to receive a phone call or email from compatriots living in the region, who may be looking to make contact with other Swiss.

Recently a Swiss woman who lives on the western side of the Blue Mountains contacted Johann and Ruth, our coordinators for Bathurst, and her nearest representatives. The trio travelled more than 60km to meet – an unbelievable distance by Swiss standards – in order to get to know each other. We are so grateful that after this meeting Elizabeth herself agreed to become a representative for the Blue Mountains region. If there are other Swiss citizens within NSW who, like Elizabeth, are keen to get in touch with compatriots from Switzerland or become a rural coordinator, please let us know.

If things remain stable with the current Covid-19 restrictions, we will be able to organise a few events in 2021. The **Swiss National Day Luncheon** is planned for 29 July and the **Christmas Luncheon** for 2 December. We are also planning two outings, as well as a concert in Chatswood. As always, members and people on our contact list will receive an invitation, but all relevant details will also be posted on our website as the events become finalised. Newcomers are always welcome!

At our first committee meeting of the year, it was decided that from now on the very favourable prices for our events will only apply to SCCS members. Other people are welcome, but not at the subsidised amount. So, make sure you have renewed your membership. The fee is very modest, and you recover it by taking part in just one event. (Some people are not aware that SCCS is not the same as the Swiss Club. Swiss Club members are not automatically SCCS members!)

And last but not least: why don't you try our **Casual Lunch**, where everybody orders and pays individually? It takes place every third Friday of the month at the Concordia Club in Tempe and it is always a jolly occasion, sometimes attended by up to 20 people. We are happy to welcome new Swiss faces in this group, even if they are not members of SCCS.

We are back in rehearsals every 2nd Tuesday, the same week as the Wednesday Jass.

With the light Covid-19 situation in Brisbane we're happy to be back after a 10-month silence. Rev. Thomas Sullivan gave us the key to his lovely Anglican church in which we can rehearse with plenty of space, a piano and a wonderful sound reverberation.

We started to learn 'Mon beau Jura' in French, first of four new songs, so this is the time for new members to join the choir. There is no prerequisite for reading music or choir experience, we record each voice for you to learn. Your enthusiasm and friendship is most important to us.

Looking forward to performing for the Swiss Club again. Until then, stay healthy and happy. Any questions, contact Gabriel on yodel@swissclubqld.org.au or 0435 570 241.

QLD: Swiss Society of Queensland

The Swiss Society of Queensland held their annual boat trip to Moreton Bay earlier this year with more than 70 members enjoying a scenic day visiting the famous Horseshoe Bay on Peel Island.

Our members boarded the stylish 100ft vessel named 'Lady Brisbane' which departed from Brett's Wharf Plaza pontoon at Hamilton before sailing down the

Brisbane River, past the Port of Brisbane for a 90-minute journey to Peel Island. Everybody was singing, catching up with their friends and enjoying the spectacular views, surrounded by the beautiful nature.

Lunch was delicious and consisted of sausages and steak, potato salad and mixed salad with a can of soft drink and water to wash it all down. It was great to see the children swimming, snorkelling and playing in the sand and having a jolly good time.

If you would like to see some of the photos from the Moreton Bay Boat Cruise, you can go to our Facebook page called Swiss Club Queensland.

It has been a busy year so far since the boat cruise in February with our movie night drawing more than 20 members at the Anglican Church Hall last month and our very popular Easter bunny event was a huge hit for families. We hope everyone had a lovely and safe Easter break!

If you'd like to get in touch, please don't hesitate to contact the president, Philippe Coquerand, on 0407 677 828 or prcoque@gmail.com

Thank you again for your continued support and we look forward to catching up with you at one of our events.

Swiss Sayings: Lost in Translation

Interesting sayings in our national languages, explained by Beatrice Schlegel – a professional translator and Swiss Abroad from Wales in the UK.

“Wüsse, wo dr Bartli syn Moscht holt”

This saying literally states that somebody knows where the bearded man gets his cider from. It actually means, that a person is clever and streetwise. According to a Saxony legend, the saying goes back to a wine tavern owner named Bartholomäus Zimmer, who lived in Meissen, Germany, at the beginning of the 16th century. This man had great expertise in the field of beverages and sourced only wines from the best vineyards. The phrase began to be used to describe an extremely hard-working and intelligent person. Perhaps something along the lines of ‘showing you how it’s done’, or to ‘know every trick in the book’.

In French it can be translated as:
“être dans la course”

And in Italian you could say:
“saperla lunga / essere un furbacchione /
essere un furbo di tre cotte”
