There is a new social democratic portal aimed at the Swiss Abroad,
containing inside news on Swiss politics.

DIREKT-MAGAZIN.CH

Solidarity, equality, freedom, cosmopolitanism. Our values are based on one principle – equal rights for everyone, no privileges. As social democrats, our self-image is European, internationalist. This is why we have always been committed, through our beliefs, to good and solid relations between Switzerland and the European Union (EU). There is a need for institutional solutions.

As social democrats, we are on the side of peace, social justice, human rights and climate protection all around the world. Only together will we master the major challenges confronting us today.

In solidarity,

Sarah Wyss (Member of the National Council BS) and
Fabian Molina (Member of the National Council ZH)
Vice Presidents SP International
