Are all airlines the same?

Most airlines
boast of French
cuisine, champagne
and savoir-faire

but only two are French

the whole thing comes naturally to UTA & Air France.

Flying the world's largest air network naturally has its advantages. For a start, being French takes care of the "joie de vivre": warm genuine French hospitality, a smiling French Welcome Service at every stopover, French gourmet meals and wines, in-flight movies and 7 channel stereophonic sound. Then there's the

advantage of flying in our airliners—the giant DC8 Super 62, the Boeing 727-200, our very French Caravelles and later the supersonic Concorde. Only UTA French Airlines and Air France weave a network of exclusive French delights wherever you fly in the world. Ask your travel agent or UTA.

News from the Embassy:

FIRST-OF-AUGUST BADGES

The sale of the 1969 First-of-August badges has been exceptionally good in New Zealand, and this despite the fact that the price had to be increased for the first time in 45 years; this was occasioned by higher production costs. Thus, a very sizeable contribution coming from New Zealand could be made towards the National Red Cross and particularly its professional nursing programme. The "Schweizerische Bundesfeier-Spende" has sent a kind letter of appreciation on 28th November, 1969, and I would like to add my own thanks and appreciation for this very fine result.

Max Corti, Ambassador.

OUR SWISS COMMUNITY IN NEW ZEALAND

The end of the year in Switzerland and elsewhere is the time when accounts are balanced and statistics of movements throughout the year are taken. A suggestion has recently been made that our compatriots, too, would like to be informed of the composition of our Community in New Zealand, as per the end of the year, and I take great pleasure in giving you the following figures:

Swiss nationals:	Men	442	
	Women	280	
	Children	99	
Total: Swiss		—	821
Dual nationals:	Men	179	
	Women	310	
	Children	650	
Total: Dual nationals		—	1139
Over-all Total per 31/12/69:			1960

Knowing how much importance each of us attaches to his home canton, it might interest some of you to see the statistics
