NEWS FROM SWITZERLAND

REGENERATIVE VACATIONS IN THE CANTON OF APPENZELL

The vacation village of Wienacht which consists of various bungalows is located about 300 metres (about 1000 feet) above Lake Constance, amidst green pastures typical of the region of Appenzell. It offers its visitors many amenities, among them a heated swimming pool, cooking facilities, a cosy restaurant and even a sauna and a gym hall. Its regenerative vacations, starting in May, are increasingly popular. They are a kind of "sport for everybody" with gymnastics, walks, hikes, swimming, sauna, massage and facials.
