★ INTER-CLUB COMPETITION

Individual club events are over and now it is time to compete in the Inter-club Competition for the Floating Trophy — the Kuh Glocke. Because of the distance between clubs I propose that Taranaki and Wellington have their knockout together, which will leave Auckland and Hamilton to have theirs, and the winning clubs from the two groups will meet for the final. Unfortunately, Christchurch was not able to compete in all four events so she will be missing out this year.

From each club there will be four entrants for each event. I leave it to the discretion of the Presidents and Committees whether you choose the four best in each event, or the four best allrounders to compete in each event. It matters not whether you are represented by four or sixteen people.

The most important reason behind this event is that of friendship, an opportunity to get to know each other not just through the news media but personally in friendly competition.
