## HELLO AGAIN

Now, summer is definitely on the way and will be here very soon. The days are longer and the evenings have ample spare time to write this News Letter "full" of these silly spelling mistakes. Like in the October issue we did it all again this time... **on purpose of course!** But there are no more Swiss chocolates! We ate them all apart from the one which will go to the winner of our last "Find the silly spelling mistakes" competition. Many thanks to all the ones who took part and sent us a letter with their findings. But we didn't just receive corrections. Many of the writers took the moment to add a little compliment in regards of the look & appearance of the **NEW LOOK HELVETIA...**

*-My dad, Gary Hodel would like to congratulate you on your new look. He thinks it is heaps better reading.*

**Shauntelle Hodel**

*-Thanks, great way to relay.*

**Hudi Wehrle**

*-I love the new format of the "new look" Helvetia.*

**Greta Clarke**

*Comments like these make the Helvetia team feel very good and without doubt makes them even work harder.*

## CHOCOLATE FOR ERRORS...

It surprised and embarrassed us a little that so many faults were found next to **'the One'** we have hidden on purpose. But then we must say that not all the faults you found originated on our typewriters. For news & reports sent to **Henry** by other Swiss clubs we can only be made partly responsible for the hick-ups as some of them are already implanted by the authors.

**You bet**, the most embarrassing mistake is the one in our new **"Déesse of Switzerland"** advert... using the **BETS of Swiss care**. The oldest fault which has quietly haunted the Helvetia for a long time belongs to the **Swiss Butchery**. They know how to make good *loaves* but neither **Hans** nor **Roman** used his *loaf* when writing **LOAFS**. All in all there were **28!!** small and fairly small spelling mis-

takes reported by all the competitors. Most of them are pretty common spelling errors caused by working on the Helvetia after midnight or early mornings before going to work.

The winner of the fine Swiss Chocolate who found **19** mistakes is...

**Greta Clarke** from the **Taranaki Swiss Club**.

Well done **Greta**, you shall get the *faultless* Swiss Chocolate in your mail soon.

## FASNACHT

On the evening of Saturday the 30 September at the Assid Corban Centre in Henderson, the Auckland Swiss Club with many Kiwi and other non-Swiss Friends, experienced the delights of **Guggenmusik**. About 300 people streamed indoors out of chilly, driving rain eager to celebrate the end of Winter in NZ's "Winterless (?) North". Spring was about six weeks later this year. The décor created an atmosphere of legendary creatures whose dark magic had to be banished from caverns and forests. Cobwebby patterns revolved in dim lighting on the ceiling as we filled up the tables. While we awaited our appetising assortment of Swiss deli. and/or cheeses, we enjoyed tuneful background tapes, including some lovely yodelling - and light wines. The children could not wait for the real Fancy Dress Parade, but entertained us with an informal one, running round with gusto, giving glimpses of very varied costumes, or colourful party clothes.

After the meal and socialising, the stage was taken over by many tall cats - and a mouse - with very long brass band instruments and drums. Behind the blue or pink maskheads were **Peter Schüpach** and his **Guggenmusikers**. All-on-the-floor dancing began, with a clockwise and anti circles ensuring "equal rights" of choices of partners. Then the *nouveau Rock'n'Roll* revved us all up, trying to guess who our masked and padded-out partners might be - in fantasy costumes and in real life! To those who were interested in my own age - as a clue I was taught "Swing" - a fantastic variation of R&R by America's GI's during their invasion of London, and I seemed to have introduced my "Arab" partner to a novelty before his time. To do it properly, the man swings his lady right

over his shoulder - but I spared him that.

Then the parade - Witches (no ugly ones), angels, space creatures, (they must have ice-cream cartons in Outer Space, as worn by a little boy who deservedly won a prize), a Queen of Hearts, a gorgeous gold-lamé bouffant dress, whose wearer is both a dress designer and a painter, and a well known Auckland Swiss Club personality, who is said to be a look-alike of both Mick Jagger (?) and a former West Auckland Mayor. Did either really have such a long tongue? Quite a achievement of disguise! There were many more pretty, or mystifying costumes whose wearers were all photographed.

Before the adults went back on the dance floor, Guggenmusik treated the children to the traditional Pied piper-like, following of the whistle and drum, with lollies all the way.

I have been a Swiss Club member for five months, and had personal and working associations with Switzerland (Vaud) before coming to NZ. I am planning to revisit in 1993, touring economically, so extensively, sketching and photographing. Afterwards I hope to re-settle in Devon (S.W. England), and if I do, I shall visit Switzerland annually.

## WE GOT SOME MAIL AGAIN

*Wetzikon, 6.9.1992*

Liebe Schweizer Freunde, Ich bin ein begeisterter Sportler, 29 Jahre alt und habe ein spezielles Anliegen: Ich möchte Ende März am Triathlon Auckland teilnehmen. Triathlon besteht übrigens aus Schwimmen - Radfahren - Laufen. Zu diesem Zweck möchte ich mich in Auckland oder Umgebung auf diesen Anlass vorbereiten. Konkret, ich suche eine günstige Übernachtungs- oder Wohnmöglichkeit für ca. 1-2 Monate. Ein Zimmer das ich auch mit jemandem teilen könnte würde mir genügen. Es würde sich um die Zeit von Anfangs Februar bis Ende März 1993 handeln. Nun hoffe ich dass ich jemand finde der mir helfen kann. Es würde mich sehr freuen wenn ich eine positive Antwort bekomme, mit den Kostenangaben für Morgen- und Nachtessen. In der Zwischenzeit verbleibe ich mit freundlichen Grüßen,

## FUN SHOOTING & HOCHULI CUP

*Sunday, 18 October 1992*

Once more many young and not so young folks gathered for what turned out to be a brilliant Sunday afternoon at **Martha & Ernst Glaus's** place in Henderson. 28 keen shooters competed for the **Hochuli Cup** and the fabulous **Swiss Butchery** meat prizes & **Hochuli** flowers in the Fun Shooting. Even our Swiss Aussie, **Emil Tellenbach** reimported him self to New Zealand to take part in this famous competition, although with less success than expected! The Hochuli cup was returned and won again by:

**Louis Wallimann** with 47 points followed by **Fredi Graf & Ernst Glaus** with 45 & 44 points. The first lady shooter, **Yvonne Bühler** scored 36 points which placed her in position 9.

The Fun Shooting which required a little less skill was won by **Hans Iten** with 50 points followed by **Sid Melville** with 35 points & our Treasurer, **Marie-Theres** with 30 points.

A big thank goes to **Roman & Hausi** of the now 10 years young **Swiss Butchery** for once more donating prizes to the Club, **Presi Chris** for the nice, freshly picked Carnations and **Martha & Ernst Glaus** for having us in their home again.

## WHO CAN HELP ME...

Are there any Video which I can purchase re. of Swiss folk music & the country. I don't want to hire one. If there are several, could you please inform me of what they are. **Greta Clarke, 28 Collins Street, Hawera, Taranaki**

This year 16 commemorative medals were presented to the 6 card evening winners, the overall card winners, the highest scoring person in shotput, shooting and Kegeln competition. ## WELLINGTON SWISS CLUB

**TRAMPING IN THE BELMONT REGIONAL PARK, SUNDAY, 15 NOVEMBER 1992, 10.00 AM sharp (Weather permitting).**

We will meet in Stratton Street, Normandale, the easiest access to Belmont Park. This park stretches over the Belmont hills between the Western Hutt Valley suburbs and the Johnsonville/Porirua Basin and from Wellington Harbour almost to Pauatahanui Inlet. It combines both public and private land use. There are many walking tracks and we will follow the track to Belmont Trig (457m), over reverting farmland and wind-swept native bush. Views across the harbour to the Heads, the Kaikouras, the Marlborough Sounds and the Tararua and Rimutaka Ranges provide an excuse for stopping and making the climb worth the effort.

This walk is suitable for fit children, but take good footwear, jerseys, parkas and adequate marching rations and drink with you. For further information give Walter Hartmann a ring (Ph. 236 6754 after 6.00 pm).

#### CHRISTMAS PARTY

**Saturday, 5 December 1992, 7.30 pm at the Club House.**

This is always a very popular event, so mark it in your calendar and come along to catch up with old friends and meet some new ones too! We will be serving a buffet style dinner and will start off the evening with our traditional Sangria. Please remember that the door next to the kitchen will be closed off again, to give the people who are preparing the lovely meal more room. The evening will cost **\$18.00 for members and \$22.00 for non-members**. Please make your bookings no later than **1 December 1992** with either R. Messmer (Ph 388-6249) or U. Dunn (Ph 237-8171).

#### CHILDREN'S CHRISTMAS PARTY

**Sunday, 6 December 1992, 3.00 pm at the Club House.**

Dear children, Father Christmas promised me he would visit us again this year and he said he is really looking forward to your poems and music items. So start practicing now! Could you please ask your Mum and Dad to bring along a plate for afternoon tea? Don't worry about the drinks. Auntie Ruth will have them ready for you! See you there.

#### SWISS CHOIR "BERGGLOECKLI"

This 40 member strong choir will be visiting us on **3 and 4 February 1993**. At this stage we are looking for billets for the 40 visitors. If you can offer any accommodation for 1 or more of the visitors, we would like to hear from you. For further information please get in touch with Walter Hartmann (PH 236-6754 after 6.00 pm).
