Hi folks and welcome to 1993 the newest year on the entire earth. How was your New Years Eve? Being able to read this you must have *sobered up* already. Again the committee is looking forward to a successful and productive year with the hope to see you many times. But for now we wish you a nice holiday.

GENERAL REPORT & SILVER JUBILEE REPORT

The day started with rain in Auckland. We were trying for a 9.30am start with the shooting. As the day drew on it became beautiful with only slight breezes.

About 50 old, young and very young folks turned up. 28 of them did shoot. We had help from shooters and non shooters alike turning the event into a successful operation. All scoring and paperwork done by **Sid and Marie-Theres** ran very smoothly giving Simi time to enjoy his day. We had 3.5 details and some "Nachdoppels". Some first time shooters coached through by **Hans Enzler** brought about some very good improvements and high scores, and it was appreciated I am sure that the other more experienced shooters were patient. There was a monetary donation from **Louis Wallimann** along with the help he gave during the event. Lunch was once again organised by the **Hochulis** and the committee. **Christine Hochuli** baked a special 25 Anniversary Cake. The toastmaster was the "dirty cunning and lazy" **Terry Mason** who explained the whole event and the meaning behind it. He also handed out the commemorative cards and other prizes donated by **Peter Deutsche (Spectra Graphics)** who also organised most of the event with Terry. He printed the cards, flyers to tie in with the Helvetia delivery and helped by **Peter (the Printer)** to make sure that all information was sent to people on time. This took away a lot of work from the Shooting Committee and it was nice to note other ways which busy members can help too. Also donated by a keen shooter who travels all the way from Tokoroa for every

event were 6 earmuffs - thanks to **Marco Knaus**. The general atmosphere was happy and productive with many group photos taken for later reference. Another good feature is that these events and working events are more and more being used by families whether participating or not as a fun day with the children, as they are designed to be.

So if you don't want to shoot work and play just turn up and have some fun on your farm. It was also very obvious that many people turned up for the Samichlaus event and enjoyed it. However hardly any turned up for the working bee, the weekend before (that made it all possible). Possibly the word **work** must be a natural deterrent. Once again the committee and a few others did all the work. Generally it has been a busy year and we have achieved a lot. The club has increased its assets in value and substance and made the farm more useable for all people. You have an excellent, hard working and harmonious committee looking after your interest, so please support them in some way, the very least would be a few hours of your time per year. After all I am sure we would all like to maintain our heritage for our children in a country with many outside cultural influences, and keep going that which the older people, some not with us anymore started many years ago for the same reasons. Next year will hopefully be more organised on behalf of the shooting, for a start we will begin shooting in summer, in the better weather. Kind regards an a happy New Year

Roy Spillmann

Thank you very much **Roy** for your report. The only thing you forgot to mention are the winners of the Silver Jubilee Shooting Competition.

In actual fact all people present won a beautiful commemorative card but the real winners were...

- | | |
|----------------------------|--------|
| 1. Roy Spillmann | 92pts. |
| 2. Merv Pratt | 89pts. |
| 3. Terry Mason & Hans Fitz | 88pts. |
| 4. Hans & Michael Meister | 87pts. |
| 5. Hans Enzler | 86pts. |

WORKING BEE

As **Roy** mentioned in his report the turnout was very low almost worth thinking that we have to go other ways to get your Farm steadily improved and maintained. If we had the money we could pay contractors to cut the gorse for example and some other horrible, deterring jobs. All we had to do then is improving and conserving the huts.

The bunks to sleep approx. 20 people are still on the list as are many more other worthwhile jobs. But without **you** it is pretty hard to get on. We have even received a suggestion to add \$5 to the subscription which you could pay voluntarily in order to finance above mentioned contractors. Regardless we got a few jobs done and enjoyed two really fine days.

PICNIC

The first big function for all of you after the long summer holidays is on Sunday, **7 February 1993**. Our annual picnic is on again at the Swiss Farm in Kaukapakapa starting at 10.00 AM. Food and Drinks are available at very reasonable cost. The day will be again full of fun, games and meeting people. If unsure of the way to get there don't hesitate and ring any of the Auckland Committee members listed on the first page.

Have a nice holiday and see you all up there.

HAMILTON SWISS CLUB

Congratulations to Heidi and Paul FRANSEN on the birth of their first child, BRIANNA.

FORTHCOMING EVENTS: Picnic and Sports Competitions: 27th/28th February, Villigers Farm in Kiritahi. Sat. 27th - Shooting Competition, 11am start. Sun 28th - Picnic with shotput and Kegeln Competition, 11am start. Food and drink available with games to entertain the children.

MESSAGE FROM YOUR PRESIDENT:

Dear Members and Friends,

I would like to extend to you all warm wishes and compliments for the Festive Season. Many thanks for everyone's support of all the functions and activities held in 1992. We have a similar calendar of events planned for 1993 with the addition of the A.G.M. and Sports Competition for the Cowbell for which the Hamilton Club has organised the venue and which it is hosting. We extend to the Society and all Clubs a warm invitation for these events. They will again be held at the Swisscraft Ltd premises and Southern Cross Motors Ltd as four years ago. Make a note in your diaries for Queens Birthday Weekend 5,6,7 June.

TARANAKI SWISS CLUB

FORTHCOMING EVENTS:

-Feb. 5th-7th. Visit of the Jodlerclub Bärnglöggi with the big concert on Friday the 5th at 8pm sharp in the Kapuni Hall. Tickets will be sold by members of your committee and will cost appr. \$20.00 a head (drinks extra).

-Feb. 14th. Picnic at the Club grounds.

-March 2nd. AGM at the Clubhouse at 8pm sharp. A plate please.

We have a very busy time behind us, with lots of interesting things that have happened.

Between Nov. 30th and Dec. 2nd. we hosted 28 Swiss people. They toured New Zealand and Australia and part of

their tour was a 2 day stay with Swiss families in Taranaki. The visitors were shown 2 farms in our area and later saw the big rotary shed (62 cows) in action. On the second evening we arranged a pot-luck tea in the Clubhouse. The spread was magnificent and well enjoyed by guests and hosts alike. After a few short speeches and an item from the Alphorn, Peter and Zeno played "lüpfige" dance music which even tempted some of the older ones onto the dance floor. Too soon the leader of the group called for an end of the merry-making and with a lovely Polonaise we finished the evening. The next morning we sent our new found friends on their way. We enjoyed their stay and we hope they will keep a fond memory of the Swiss in Taranaki. **V.K.**

CHRISTMAS PARTY: Father Christmas could have been forgiven to think he was back at the Southpole and not in sunny Kaponga. But at least he didn't feel so uncomfortably hot in his red robe. About 30 children waited at the Clubhouse to greet Father Christmas. Under a beautifully decorated Christmas-tree he handed out all the presents and a few lollies and then went back to the Pole. We hope to see him again next year. After the children had their ice-cream it was time for a nice cuppa for the parents.

CHRISTMAS SHOOT: The weather was a lot better the next day and 50 people turned out to try their skill at Kegeln or shooting. 26 played skittles, 24 went shooting. After a lovely pot-luck lunch which was enjoyed by everyone, Walter Seifert read out the winner of the two previous shooting competitions. The Trudy Ott Belt was won by Rachel Kull and the Ted Näpflin Shield was also won by Rachel Kull. Then came the prize-giving for the Christams Shoot. The shooting was won by L. Nolly and the skiddles by Zeno Hospenthal and Leo Auf der Maur. Paul Suter won the mustery prize and John Hermann walked away with the Booby-prize. 118

WELLINGTON SWISS CLUB

XMAS PARTY REVIEW: The Christmas Party of 5 December 1992 in our Clubhouse was attended by more than 60 members and friends. While enjoying a glass or two of Sangria or fruit juice, people socialised and caught up with old friends. In the background Karl SIGNER arranged the beautiful buffet. It looked so lovely nobody wanted to destroy the nice picture. Our president, Roland SCHUETZ, had to ask the people and he also organised the sequence or tables for accessing the short queue. Everybody enjoyed the presented variety and there was also plenty of food for seconds. Many thanks to Karl for all the efforts and also to Roland for supporting him. Together with the Swiss Choir we sang a few Christmas carols. Thanks to your support we were

able to collect \$150 for the St. John's free Ambulance Service. Many thanks also to all the willing helpers for tidying up in the kitchen. The committee is always grateful and appreciates every pair of hands. Have a good holiday break and we will see you again in 1993. **WH**

CHILDREN'S CHRISTMAS PARTY:

On Sunday afternoon, 6 December, the families and children celebrated Christams at the Clubhouse. Everybody joined in with singing carols. Aunt Ursula read a story, the candles on the tree were burning, the right atmosphere for Father Christmas to arrive. Most children knew a verse or a song for Father Christmas. In return they all received a gift. You should have seen the sparkling eyes and the happy faces. A lovely afternoon tea spread, contributed by everybody, was enjoyed and a friendly gathering came to an end.

OBITUARY

Unexpectedly and suddenly we were saddened to learn of the passing of **ERNST JOSEF KELLER** of Porirua in his 48th year. Ernst immigrated to New Zealand in 1967 and married 2 years later. The couple was blessed with six children, four sons and two daughters. Having spent 1991 in Switzerland with his family, a long dream of his became reality. Beginning of this year the whole family returned and settled again in their home. The Requiem Mass was celebrated on 27 November at the Holy Family Catholic Church, Porirua. The large church was filled with his many friends and Swiss compatriots. Ernst was an active member of the Swiss Club "Chörl" and was a real pillar with his beautiful strong voice. Before departing from church, the "Chörl" sang the Swiss Anthem. We shall always remember Ernst as a happy, kind and helpful friend. To Marie-Rose and her children, we convey our deepest sympathy.

COUNTRY MUSIC

Many Swiss people have a special love for country music. This is not surprising when you consider that the Swiss Alpine folk music and its yodeling played an important part in the early Western and Cowboy music of the USA. Apart from the USA, Switzerland stages the largest number of country music festivals in the world. The similarities between the sound of a country and western band and a "Ländlerkapelle" are quite evident. So it seems logical that as long as the Swiss continue to favour their own folk music, country music will also remain popular in Switzerland.
