JASS ABIGE

Every third Friday a month starting at 7pm in May, June, July, August, September and October the Gasthof "Prost Ethnic", 224 Hobson Street, City, will again host the Jass evenings.

From May to September you can compete for a pressious challenge trophy (Wander Preis) and the last evening in October will be a Fun-Jass Abig with the prize giving.

Playing for the cup, your best four out of five possible scores will count. So no need to worry if

you miss one evening. If you miss two evening you better get bloody good cards.

At the end, the highest score will get the cup but there will also be a monthly prize for the best player of the evening. If you miss out on these prizes you could still be in for a monthly spot prize. The rule for this one is a secret. All we know is that you don't need to win for this prize you just need to participate.

The cost per evening is only \$2 per player. Feel free and bring a plate. Drinks are available.

For more information, don't hesitate and ring **Hans Iten** on 620-9208 or **Erwin Knechtle** on 524-8899

AGM

The Annual General Meeting of the Auckland Swiss Club will be held on **Friday, 14 May** at the Gasthof "Prost Ethnic", 224 Hobson Street, City starting at 7.30pm. **Any notices of motion have to be received by the secretary in writing no later than 30 April.** The meeting will end with a good time and a delicious snack.

Förster (Andre Eckert) has put forward the idea of adding \$2-5 to the subs just in order to pay a contractor to get rid of the gorse up at the Swiss Farm so we can spend the Working Bee time more constructive on the hut, the bunks, the range etc. This will surely speed up the planed improvements on the property. Think about it!

NEW COMMITTEE MEMBERS

Two committee members are leaving. How do you feel about joining the dynamic team? **We are looking for a new secretary and two committee members.** Give Presi Chris a phone on 838-9894 if you are interested in the clubs future as an organising member.

Also we are looking for one or more members who can create reports, event announcements and stories for the renowned **Auckland Swiss Club News Letter** part of the Helvetia on a regular (monthly) basis. For more info you can phone the 'NL' Editor on 444-3020 if you would like to help this way.

REPORT ON BUS TRIP TO WELLINGTON TO THE COWBELL COMPETITION

On the morning of the 20/3/93, I was joined by 37 fellow Club Members on the bus trip to Wellington. Everyone was in good spirit and ready for the big fight. After a short pitstop in Wanganui for morning tea, we headed towards Bulls, where we stopped again to invest some money in Lotto! Our next stop was the Manor-Sun Motel in Johnsonville. After sorting out our sleeping arrangements and collecting the keys for the rooms, we drove to the Swiss Club House. We arrived just in time for the lovely BBQ! After being welcomed by Roland Schütz, the President of the Wellington Swiss Club, everyone got busy eating and drinking.

After lunch our shooters left for the Withman's Valley to do their chores! The rest of the group stayed on for the Jassen, Kegeln and Steinstossen. By the end of the day, it looked as if luck was rather more on our side. We had won 3 categories out of 4! (Results: see under Wellington Swiss Club news). After a great dinner, we commenced our social evening with conversations, speeches and reading of the results of the competitions and we then farewelled our Ambassador, Dr Michael von Schenck, who is leaving New Zealand for his retirement.

Our musicians: Marianne, Peter and Leo made sure everybody had a jolly good time by providing us with first-class dance music throughout the remainder of the evening. It was very much appreciated by all.

Next morning we all gathered at the Club House for a wholesome breakfast. Everyone was cheerful and happy, which was of no surprise considering we all had an extra hour of sleep under our belts! (Change of Daylight saving). After breakfast, we boarded the bus and our driver took us for a 2 hour City Round

Trip! André Schleicher acted as our Tour Guide. He did a top job. Thanks again André. After we had lunch at the botanical gardens, we started heading back to Taranaki again. The weathergods meant well! We had perfect weather, both days. It was not until we got back to Taranaki that it started to pour down with rain. All in all, it was a great weekend, which everyone enjoyed.

On behalf of the Taranaki Swiss Club, I would like to take this opportunity to thank the Wellington Swiss Club again for their warm welcome and their hospitality. We would also like to commend them for their fair and friendly competition. (We are sorry, we did not let you win!). Re: LOTTO: Bad investment! We spent seventy dollars with the hope of collecting the big one while we were down there, but all we got was twenty-five dollars. Well, better luck next time!

To our Club Members I would like to say thank you all for coming along and for all your effort to make it a successful event. I would love to see you all again on the 6th and 7th of June when we will go to Hamilton to try to do the same! Please contact me at Ph. (06) 764-8701 if interested.

Yours sincerely

Walter Seifert

COWBELL COMPETITION (20 MARCH 1993)

On this beautiful and calm Saturday afternoon we welcomed 40 competitors and supporters from Taranaki. The cold drinks and the BBQ including some McFuhrer burgers were ready. After the long bus journey, everybody enjoyed the sunny outdoor atmosphere and the hospitality. After a cuppa and dessert, the friendliness was put aside. The competition to find the party for the grand final was to begin: the shooters went off to Scherrer's farm, the Jasser separated in Fuhrer's seclusion and the rest of the combined group tried themselves in Kegeln and Steinstossen. The time in between was used for a friendly Schieber and for exchanging the latest news. The afternoon went by so quickly and everybody was looking forward for the buffet dinner prepared by "our caterer" Karl.

The evening was a combined function and included the farewell party for our ambassador, Dr Michael von Schenck and his wife. We in Wellin-

ton are very sad to see this co-operative couple leaving. Thank you once more very much for your understanding and active support.

After a few interesting speeches and presentation of our gift, the Handörgelers from Taranaki took over and encouraged the dancers with "lüpfigem" play to invade the dance floor. We seldom could see so many happy people enjoying themselves with Swiss music. Lets keep up this spirit.

Well, we should not forget the outcome and results of this years's friendly contest:

	Taranaki	Wellington
Steinstossen	102.3 m	102.0 m
Shooting	296 pts	278 pts
Jassen	8,545 pt	6,486 pts
Kegeln	186 pts	203 pts
Final score	3	1

Congratulations to our friends from Taranaki who presented a convincing performance on this particular day. We wish them well and all our support will be with them for the GRAND FINAL in Hamilton (it always looks better when we have been beaten by the final winner of the cowbell!).

I know I should not, but I cannot stop thinking about the 30 centimetres (out of 16 shoots) we were short. Usually our "stars" would have pushed the stone further even with a smile on their face. But still we need to improve more, then the decider would be Jassen and look at this smashing result. We Wellingtonians left the sweetness of victory to our visitors - let's hope the folks in Taranaki will remember this gesture next year!

The festivities and celebrations went on in the motel rooms - some complaints have been lodged. Family Fuhrer prepared a rich Swiss style breakfast in the Club House. André guided the group on a tour around the Capital - again Wellington at its best!

We thank the people from Taranaki to show up in such great numbers and for their enjoyable compagny. Also we should not forget our members for their great efforts in billeting, providing a huge dessert buffet and helping with the different chores in the Club rooms. Surely an event which everybody will remember with pride and pleasure.

REMINDER

If you come across any news which might be interesting for our community, please let the committee know about it. Thanks for your contribution.

After the weekend, our President received the following letter:

Dear Roland,

On behalf of the Taranaki Swiss Club, I would like to take this opportunity to thank you and your committee and all the club members who contributed in any way, (eg billet, food, tour-guide, etc) for your warm welcome and your generous hospitality during our visit on the 20th and 21st of March. We would like to congratulate you for a job well done! It was very much appreciated.

Yours sincerely,

W. Seifert

OBITUARY

It was with great sorrow that we heard of the sudden death of **HANS MESSMER**.

He was one of the founding members of the Wellington Swiss Club. Hans and Ruth arrived here in 1950. Hans worked for the first 4 years with a Swiss hairstylist, before setting up his own business in Willis Street. Hans was well liked and many a lady in Wellington missed him after his retirement in 1980. Hans always enjoyed good health and he and Ruth travelled a lot. His sudden death on the 30th of March came far too quickly and unexpectedly. Hans who lived close to the ideals of his thinking had no enemies. He was a true friend and gentleman and will be remembered for his fine humour.
