## YOUR CORNER.....

Dear Readers,

We were delighted to receive an interesting submission from one of our new members. We were intrigued and quite fascinated. We hope you will enjoy this article from Monika Rust of Otorohanga.

- We are looking forward to hear from you and are always looking for new exiting ideas.

### Aromatherapy

Now what is that you ask yourself. Well let me enlighten you a bit about the subject. Aroma means pleasant scent, therapy means a treatment that aims to cure a physical or mental condition. The pure essential oils come from plants valued for their therapeutic properties.

- Ways to use essential oils are:

Massage - Steam inhalation - Vaporizers - Baths - Compresses - Cream lotions - Shampoos and Showergels - Gargles and Mouthwash or neat.(undiluted)

- Massage - you mix a few drops of your choice of Essential oils with a blending oil which is a vegetable based oil, eg: grapeseed, sweet almond or sunflower oil. To preserve the massage oil you have just made, put about five percent of Wheat-germ oil into it. Now you are ready for that romantic evening or for those aches and pains that get you down.

- Steam inhalations - Vaporizers and Bath;

- Steam inhalation is the same as the old Vicks in hot water, but instead of Vicks you can use something like Eucalyptus, Peppermint or Frankincense for those nasty colds. The vaporizer is something I use a lot in winter and at night. In winter when I can't have the windows open all day I put something like Orange-Lemon or Rosemary into the water and let the candle do the rest.

- Eucalyptus is good at night for that cold, helps you breath. A bit in the bath is good too. You can use different oils for different things.

- Shampoos and Showergels, Creams and Lotions;

Rosmary is good for dark hair and Camomile is good for blond hair or Camomile for the skin in the cream or lotions.

- Neat (undiluted)

You can only use some of the oils, not all. Lavender for headaches, irritability, and Tea Tree for cuts, warts, coldsores, also as a Antibacterial, Antifungal and Antiseptic aid.

I have given you something to think about, if you are a member of a library, then go get yourself a book and read about it as I have done.

- You can get your Essential oils and Massage oils from your local Chemist or body shop. Just make sure that it says Essential oils on the bottle, but you'll read all about it when you get your first book.

Happy reading!
