Words of wisdom

Everyone has talent. What is rare is the courage to follow the talent to the dark place where it leads.

Erica Jong.

If you educate a man you educate a person, but if you educate a woman you educate a family.

Ruby Manikan.

I am not interested in the past. I am interested in the future, for that is where I plan to spend the rest of my life.

Charles Kettering.

Among those whom I admire I can find no common denominator, but among those I love I can: all of them can make me laugh.

WH Auden.

A little self-criticism is as beneficial as too much is harmful.

Anonymous.

Great spirit, grant that I may not criticise my neighbour until I have walked a mile in his moccasins.

American Indian Prayer.

I am a great believer in luck and I find the harder I work the more I have of it.

Stephen Leacock.
