Past Events:

If you're wondering whether the bus load of people that went to Auckland for the Swiss Society AGM and the final of the Cowbell Competition won anything with their investment in lotto ... well ... let's put it this way ... we didn't need to divert the bus to Wellington to pick up top prize ... in fact ... we didn't win a penny!!! I guess it saved having to divide any money up!!! Well, there's always another time!!!

The Jassen and Euchre afternoons have been very enjoyable, but unfortunately not so well attended. Thank you to Edi Fuglistaller for printing the results cards ... your computer skills are far superior to mine, Edi!!! We truly appreciate your help. Here are the results:

A Potluck Tea was held following the cards and shooting on the 15th June. This was a very pleasant event with a delicious tea. Numbers weren't great, but the noise sure made up for the lack of people!!!

Part of a small crowd that enjoyed a pot-luck tea in June

The very popular Anniversary Shoot was held on 6 July with over 140 people attending the function. It was a cold day, but the atmosphere inside the club house was anything but cold!!! Shooting was held in the late morning and early afternoon, with the remaining people choosing to skittle. The rivalry was fierce ... no just kidding ... was competitive ... but because everyone wins a prize whether they are first or last, the end result did not really matter. Mark Kiser and Johnny Bishop had the difficult task of putting the scores in order

A terrific crowd of over 140 enjoyed the Anniversary shoot

before prize-giving ... and with so many participants, it was no small job!!! You both did a terrific job!!! At 5.30pm the delicious meal was served ... sauerkraut, pork, potatoes, red cabbage, peas and sau-

sages ... many thanks to the wonderful cooks ... the meal was divine, and enjoyed and appreciated by all. This was the first time that we had to wait for empty plates so that others could enjoy their meal!!! Grateful thanks to the kitchen staff ... to the cooks, people serving the various dishes, and the dishwashers and dryers (and there were numerous dishes ... we really appreciated your help!!!! Upon completion of the dishes, Mark handed out the numerous trophies and cups in the small bore shooting club to worthy participants and winners:

Mark and Walter then read the results of the shooting and keglen competition, with participants choosing between a bottle of wine and a packet of cervelat. This was soon over and the spinning wheel was brought forward and many of our younger members sold tickets. There followed the mystery prize draws which were won by Sami Werder, Walter Seifert, Erna Zimmermann, Bob Wolfe, Natalie Buhler, John Bishop, Tyler Mulholland, Toni Hess, Leo Danz, Marianne Werder, Heidi Seifert and Claire Linn. We truly appreciated everyone purchasing so many tickets, as it made the selling easy for the children ... congratulations to all the winners.

On behalf of the Taranaki Swiss Club committee, I would like to thank Mark and his dedicated helpers very much for the huge contribution they make in organising this function ... it certainly takes a lot of time and effort, and it is greatly appreciated. A big thank you also to the members and friends who came along and supported the Anniversary Shoot ... it was impressive to see so many people attend and we look forward to seeing you all again soon!!! Care had to be taken when leaving, as all the windscreens were frozen ... winter had finally come!!!

Forthcoming Events:

October 2 & 16 Keglen recommences ... so turn up at the Club house from 8.00pm and join Johnny, Franz and the team for a good night of skittles and a social chat amid lots of laughter!!! A good supper is always had. *MD*

Past Events:

Winter suddenly arrived with a vengeance, but despite that, our regular card players braved the wet and cold weather for our final three card evenings. Heating the room at the Church in Cambridge is not such a problem, however the larger St John Hall in Matamata is another matter! The weather on the day of our fifth evening (27th June) in Matamata was particularly wet and miserable, but thankfully for the 28 people who braved the cold, the hall was warm and cosy when we arrived because Max had gone down during the afternoon already to start up the heaters. A warm sausage and bread, followed by a drop or two of Schnapps in the coffee also helped everyone to keep warm.

In full concentration - from left, Kurt Hess, Lina Rufer and Maria Haesli, at the final card evening

The fourth card evening on 13th June and the sixth and final one on 11th July were both held in Cambridge with 30 and 34 people respectively.

At the conclusion of the sixth evening, the scores of 22 card players who came to at least five card evenings were collated to find out the overall winner using their highest five scores. This year's scores were very close for the top five, but following a good score at the final evening, Heidi Santner became our card Champion for 2008 and was able to take home not only the trophy, but also a whole ham. Congratulations, Heidi! Ten further players also claimed a variety of meat and other donated prizes.

Overall winner for 2008 Heidi Santner receiving her trophy from Beatrice Leuenberger

Once again, our card evenings were enjoyed by everyone – not only for the card playing, but also for the fellowship and of course for the delicious suppers served every time! A big thank you goes to everyone who helped with baking and working in the kitchen. At the end of each evening, the highest scorers are also able to select from a large array of prizes – eight are always provided by the club, but usually there are more, so we would like to thank all those who donated these extra prizes.

Finally, we would also like to thank everyone who came along to our six card evenings – sometimes braving awful weather conditions and many regularly driving great distances – as it is your continued support that makes our card evenings so successful every year.

Prizewinners are as follows:

Note: Correction from third card evening scores in last month's Helvetia – 7th place should have read Ruth Waldvogel, whilst Karl Waldvogel was in 10th place. *BL*

AUCKLAND

Hi everyone,

What an awful arctic winter we are having! I cannot remember anything like it since 1970, when I arrived in New Zealand. Suddenly, words like "polyprop" take on a new glow. I have settled back into life down under occupying myself with work for the Swiss Club, Rothesay Bay Ratepayers Assn. and teaching French & Italian again to my favourite classes & individuals, as the case might be. Life is good that way. *Heidi*

Film & Fondue Evening, a New Concept and a Success. It happened on a rainy 4 July in 2008 at Danish House in Penrose one Friday night. The new idea was hatched out by Adrian & Marcel, while I was overseas. Combine two worthwhile events and more people might come. And you did! We had 37 people or thereabouts. Danish House was warm and cozy. In the absence of Edith and many other Swiss multitalents Marcel was the chef, made the fondue and the yummy Apfelstrudel. We started early in the evening and had the main meal in the big Hall. It was delicious, everyone got involved, especially also Adrian's hard-working children. The younger generation of Swiss adults were once again represented by Marianne Brunner and William Graf. Of course there were many more of you and your guests. The prize for the hardest workers in my mind would go to Adrian Blaser, his daughter Fiona, and Marcel.

Then everyone moved to the beautifully appointed library for the film "Erleuchtung garantiert", a funny German film, which made some of us giggle in the dark room. The people I spoke to loved it, the acting by the two main actors was a delight, the scenery (e.g. Tokyo, being well and truly inside a Zen Buddhist monastery and seeing how it works and the funny way it was all presented) was a real eye opener to most of us.

Then we were served some excellent coffee and Marcel's Apfelstrudel, which was equally tasty.

It was a most relaxing and entertaining experience. Thanks to the Committee and their helpers for a super effort!

15 June: A great Swiss movie afternoon took place at the New Zealand Defence College in Trentham. The French movie "Amelie" and the Swiss German movie "Die Herbstzeitlosen" were screened. They are both very successful and good movies, and everyone enjoyed watching them. In between the two movies afternoon tea was had with a vast selection of cakes and crackers. There was a separate programme for the kids during the movies so that parents could watch the movies in peace while their little ones were taken care of. Many thanks to Sandie and Murray Simons for organising this event!
