Club organisers please note: as juniors are in a separate competition, please clearly mark score sheets, so that medals can be distributed accordingly. Would all clubs please ensure that all participants over 18 years of age are full Club and Society members? Many thanks for your cooperation.

Thank you to all the participants, and congratulations to all the medal winners. All the clubs look forward to your participation again in next years' medal competition.

We have just ordered the next series of the Swiss Society medals (hand makers) for the following five years and the price has gone up by approximately CHF2.00 per medal. The Swiss Society already subsidises these medals so unfortunately we must therefore increase the price for the competitions to \$5.00 per person per competition. I think you must all agree that it is still a very reasonable price for the lovely medals we compete for.
