Swiss Society Games 2013 Medal Winners

Great to see so many people taking part in this year's Swiss Society Games. We had a total of 260 participants in all the different disciplines. 54 were single medal winners, nine double winners and one a triple winner. Congratulations to all the winners. The medals have been ordered and should be with you by the time you read this article. The Swiss Society Committee, together with Faude & Huguenin, is designing a new series of medals for our Society Games. It will be another typical illustration from Switzerland, look out for that

next year. Like all our medals, they will be a collector's item. So next year check your club's events calendar for the Society Games and mark it in your diary. Go along, have some fun and maybe you can add another trophy to hang on your wall or start your very own collection. At the last AGM, it was decided to separate Junior Girls and Boys in the shooting and shot put disciplines to give them an equal chance to win a medal. Good luck.

Ernst Lanz, Society Riflemaster.
