Friday, 7 July – Movie Night

We enjoyed a relaxing movie night at the Danish House. Watching *Langi Ziit* – a movie showcasing Swiss Expats in their new lives and remembering their old life in Switzerland. The second movie, *Schweizer Lichtgestalten*, told the story about Bruder Klaus, the hermit and Ulrich Zwingli and Johannes Calvin, both key figures in the Protestant Reformation. In between the two movies we enjoyed some delicious baking and got the opportunity to catch up with old friends. Thank you to Sandra and Pia for the excellent baking!

300 meter shooting weekend - this event was held late May at the farm in Kaukapakapa. It was a bit of a struggle to get the numbers together due to holidays, illnesses and so on however, by the time Friday came along we had 11 participants registered and four of them were under 25. That was really pleasing to see. The weather was as usual, rainy, sunny and torrential downpours. Anyway, due to the low numbers we

had time to stop during the bad spells of weather. The event was well run and we finished on good time on Saturday to have a bit of R&R and the food was appreciated by all.

The Sunday program kicked off after a hearty breakfast and finished just on one o' clock, time for lunch, medal presentation and a bit of camaraderie. At this stage I haven't got the full ranking but I am hoping to have one or two of us in the top 6. I will report on that at the fondue evening.

Thank you to Henry and his team for organising the shooting, the Hamilton club for their contribution and most importantly thank you to the participants for coming along!

Hans Vetsch, Rifle master

(And a big thank-you to Hans for rounding everyone up and putting on lovely meals.)

Swiss Society AGM was held in Hamilton over Queen's Birthday weekend. We managed to organise lovely weather for our guests up until Monday when everyone had to travel home again. We had the Matangi Hall all set up and decorated in time for our compatriots from Taranaki and Wellington to arrive on Saturday evening. In fact there were already three motor homes parked up when we arrived. We were very happy to have Juerg Bono from the Embassy join us on both days and even put up a good fight during Sunday's Cowbell Competitions. These got underway at Swissscraft premises in Frankton at 10am. All events were very closely

fought and came down to the wire with a card play-off to decide Hamilton Club as the winners. By 1pm it was back to the Matangi Hall to have a delicious lunch prepared by the Hamilton committee and soon it was time for the AGM to get underway. The usual proceedings took place along with some lively discussions and a few varying opinions. Following the meeting there was time for coffee and cake, a good catch-up with friends as well as a few friendly card games. Later on it was happy hour and then a delicious meal of Sauerkraut and lots of ham and speck was served up. Following dinner was a very informative speech by Juerg Bono and then the Cowbell presentation. Three in a row for Hamilton so Herbert is keen to make it four in a row next year! Throughout both evenings we were entertained by the trio from Taranaki – many thanks to Peter Canziani, Zeno Hospenthal and Aaron Bosch. Your music was very much appreciated by all. The Hamilton Club enjoyed hosting everyone from the Auckland, Taranaki and Wellington Clubs and hope you all had a safe trip home. We look forward to travelling to Taranaki next year for another great event.

Taranaki Swiss Club

Past Events

On the 21st of May we held our Swiss Society Medals Competition in beautifully, sunny weather ... a change from the past few years!!! Great to see some children competing again with the Penningtons (the late Charlie and Doreen Schuler's great grand-children) the Drummonds and several of Alby Schuler's grand-children and great grand-children keen to try the Swiss sports ... grateful thanks to the parents for bringing their children along. In the juniors' section Dontay Olliver out-muscled the boys in the shot put; Dontay and Daniel Drummond were the top boys in the shooting with 73 points, Evelyn Arnold bet her sister in the girls' shooting to claim the medal and Richard Drummond showed his accuracy winning the keglen by one point from his older brother!!! Luke Pennington was the only midget and tried really hard in the shot put and the keglen, thoroughly deserving a medal. In the adults competition Othmar was far too good for the rest of the competitors in the keglen ... however his luck ran out in the jassen where he collected the booby ... well done in the keglen scoring a massive 58 points, well clear of the rest of the field ... second equal in the skittles were Heidi Werder and Mark Kiser with past keglen master Walter Seifert fourth. In the shot put Thomas Werder claimed first prize with Kim Danz second.

The ladies division was won by Marlies Hebler with Heidi Werder second. The Jassen was a clean sweep by the Seifert family ... Walter first, Heidi second and Mathias amassing heaps of points in the last few games third ... Myrtha, what happened to you? I guess not all the Seiferts can be lucky, eh?!!! Fourth in jassen was Marcus Rufer. A big thank you to Remigi Zimmermann whose arm was twisted at the last minutes to play cards making even numbers at all the tables ... I know you said that last year was your last year playing cards ... but we're grateful that you changed your mind!!! Remigi then won the shooting (all that stress in the cards must have helped you win the small bore!!!) with

78 points, with small bore rifle master Mark Kiser second with 75 points. The ladies top shot was Vonnie Ngatai with 75 points, followed very closely by Erna Zimmermann with 74 points. Every competitor who enters at least three of the sporting disciplines goes in the draw for two meal vouchers at the Swiss Club ... and this year the winner was Joshua Pennington! Well done! Many thanks to all those who competed, especially those who entered knowing they were just helping to get our medal numbers up!! A great social day followed by the ever-delicious afternoon tea.

On the 3rd of June a minibus ably driven by Mark Kiser with nine passengers on board headed to the Swiss Society AGM in Hamilton, together with an equal number of members making their own way up. It was an absolutely stunning day ... we had lunch outside under brilliant sunshine in Pio Pio ... totally relaxing in the warmth! We carried on to the Matangi Hall and parked our campervans; enjoying happy hour in the sun, when another campervan arrived ... Heinz Diener, member of the Hamilton Swiss Club, from Tauranga ... and we all sat and enjoy another drink and a great talk. Soon members from the Hamilton Swiss Club arrived to prepare dinner,

and our fellow Taranaki members pulled up in their minivan. This was a very social gathering, catching up with friends and making new acquaintances. We all enjoyed a lovely dinner of potato salad and coleslaw with barbequed bratwursts and cervelas, followed by coffee and sweets. For Richard it was a great treat to enjoy Rivella!!!

On Sunday morning Hamilton played against Wellington in the final of the Cowbell Competition, with Hamilton edging out their southern rivals by the skinniest of margins ... there had to be an 'ausjassen'!!! Well done to Wellington for putting up a very brave fight with the minimum of participants!!! In the meantime members from our Club attended a market (nearly buying a couple of spas, eh Lou???) or mini golf and drift cars, followed by lunch at the Matangi Hall.

The Annual General Meeting of the Swiss Society of New Zealand followed, with many discussions on relevant topics. Members then enjoyed a game of jassen or a good old chat before happy hour and a dinner of sauerkraut with all the trimmings, topped off with a delicious fruit salad and equally divine meringues. Thanks to our musicians Zeno, Peter and Aaron who provided great entertainment for the enjoyment of all. Our grateful thanks to the Hamilton Swiss Club for their wonderful hospitality and the Taranaki Swiss Club looks forward to hosting the Swiss Society AGM in Kaponga next year. Many thanks also, to the members of our Club who ventured north to represent us at the AGM; especially Mark who drove the mini bus and Heidi who organised the trip.

On the 24th of June the Swiss Singing and Entertainment Group were thrilled to host the Phoenix Morris Dancers for lunch and entertainment. Aaron Bosch had organised this as part of their winter solstice weekend. Lunch of soup, barbequed sausages and salads was well-received, followed by the Morris Dancers explaining and then performing various dances. It was great to actually understand what their dances were about, and we could appreciate their energetic dancing abilities. Our entertaining was far more sedate with dances, tahlerschwingen and music!!! Thanks, Aaron, for bringing your alphorn and allowing our guests to try blowing this musical instrument! This was a wonderful cultural exchange and we enjoyed their entertainment as much as they enjoyed ours. A lovely afternoon

tea was had, before they continued their travels.

On the 1st of July the annual Anniversary Shoot was held. Participants could choose between shooting and keglen ... however the keglen took over, as the weather turned wild, windy and wet ... quite unlike our normal weather for this time of year in the Naki!! Just over seventy people enjoyed the delicious sauerkraut, pickled red cabbage, potato, pork and frankfurter meal ... and it truly was a tasty, delightful dinner. Many thanks to everyone who helped cook, plate and clean up the dinner, especially those outside the committee, we really appreciate all the help. Following dinner Mark presented the shooting trophies for the year:

Presidents' Cup

Mark Kiser, runner-up Peter Arnold

Men's self-handicap Cup

Mark Kiser, runner-up Peter Arnold

Ladies Ashleigh Lodge Cup

MaryAnn Whakatutu, runner-up

Lou Nolly Junior Boys Cup

Oliver Arnold, runner-up Daniel Drummond

Walter Seifert Jnr Girls Cup

Victoria Arnold

Erwin Kiser B Grade Cup

Fuglistaller C Grade Trophy

Peter Arnold (junior)

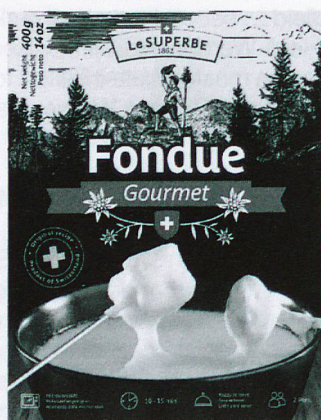

The evening continued with the presentation of the prizes for the afternoons' activities, with top shooting results being Mark Kiser and Emmi Kiser (not bad Emmi, I'll have to get some tips from you!!!). The best kegglers were Vreni Kull and Maria Nolly ... now ladies we expect to see you at the Keglen evening for a crack at the trophy and giving Heidi Werder some competition!!! The spinning wheel was then in action with Victoria, Evelyne, Jacinta, Daniel and Richard keenly selling the many raffle tickets ... many thanks children for your great efforts and thanks to Erna and Heidi for organising the prizes.

The biggest THANK YOU must go to Mark for co-ordinating the whole evening and making the various purchases ... you're truly amazing and we THANK YOU VERY, VERY MUCH!!! Many thanks also to everyone who came

fondue. Guests brought additional friends and we had to add chairs. No worries, we managed to have enough cheese to satisfy everybody. We were happy to welcome visitors from many different countries and support the Swiss dairy industry at the same time! Despite the big numbers we managed to serve the fondue in a relatively short amount of time (putting the emphasis on "relatively"!). And Monika prepared a delicious Danish dessert.
