International Ophiolite Symposium, Cyprus, 1979

DATE: 1st–8th April, 1979, in Nicosia, Cyprus.

CHAIRMAN OF ORGANISING COMMITTEE: Director, Geological Survey of Cyprus.

SCOPE: To review and discuss current research on all aspects of ophiolites. Field excursions in Cyprus. Will focus attention on some of the principal features and problems as illustrated by the Troodos ophiolite.

SCIENTIFIC PROGRAMME: Four days will be devoted to the presentation and discussion of review and research papers. Provision will also be made for participants to display data, maps and specimens etc. in the form of exhibits adjacent to the Conference Hall. Papers or exhibits on all aspects of ophiolites will be welcome.

Papers should be presented in English or French. It is proposed to publish the proceedings of the Symposium.

FIELD EXCURSIONS: An important part of the Symposium will be excursions to the classic Troodos Complex and its environs, interspersed with the presentation of papers.

Two-day excursions with a night away from Nicosia will cost approximately US dollars 40.–, including packed lunches.
