Current Sociology

Edited by **Susan McDaniel** *University of Alberta*

Each issue of this unique journal is devoted to a comprehensive Trend Report on a topic of interest to the international community of sociologists.

Authors review current trends and tendencies in all areas of sociological work - theories, methods, concepts, substantive research and national or regional developments.

Each Trend Report reviews new developments, discusses controversies, and provides extensive bibliographies.

Since its inception in 1952, *Current Sociology* has published Trend Reports by some of the world's leading sociologists.

The journal has covered topics of growing importance within the discipline such as the sociology of law, economic sociology, sociology of popular culture, sociology of time, and youth and society.

Current Sociology is published quarterly in Spring, Summer, Autumn and Winter (ISSN: 0011-3921)
