LEAGUE BROADCASTING STATION.

The report which appeared in various English papers, that the League of Nations is seeking to dispose of its broadcasting station is not strictly

The position is that the 10 years' agreement by which the Swiss postal authorities undertook the management of this station is now expiring. New negotiations are going on, but it is not likely that they will end in the sale of the station. The League has spent from £10,000 to £12,000 annually on the maintenance of the station, and it seems most likely that an arrangement will be come to by which the League is freed from this financial burden, and will accordingly give up control of the station. control of the station.

The matter will be dealt with at the next Assembly meeting on September 11th

SIX-WHEEL BOGIE TRAMCARS FOR ZURICH.

SWISS LETTER.

A YEAR WHICH HAS COMMENCED WELL.

With the passing of the first six months of the year it is usual for one to cast a backward glance into our affairs in order to make out the Balance Sheet. Switzerland is able to examine the results of her first half-year without any feeling of displeasure: they are good.

Commercial exchanges with foreign countries have continued to develop. The total amount of imports has increased from 781.1 million Swiss francs, for the first six months of 1938, to 862.2 million in 1939, thus marking an increase of 81.1 million francs. Exports have increased at the same time by 51.8 million francs, from 618.1 million in 1939. The wholesale trade index, at the end of June 1939, attained 106.4% (July 1914 = 100%) or 74.3% (if the average of the years 1926-1927 is taken as 100%). In comparison to the preceding year, to the end of June, there is
