### CITY SWISS CLUB.

At the monthly meeting of the City Swiss Club which took place on Tuesday the 6th inst. we were honoured by the visit of a number of official representatives from the Legation. Mr. Girardet gave a most interesting address on the present situation, details of which we shall publish in our next issue, and everybody expressed their gratitude to Mr. Girardet for having taken the time to come and enlighten us on the present position.

The question of the Club House Fund was discussed at length, but no new decision was arrived at except that it was the wish of the meeting that the whole question of the Club House Fund should be brought up for full discussion once more at the forthcoming meeting, and it is hoped that those members who have the interest of this fund at heart will be prepared at the next meeting so that a definite decision which it is hoped will please everybody can be arrived at.

### SWISS RELIEF CENTRE.

As was announced in our last issue, the Swiss Relief Centre at Swiss House, 34, Fitzroy Square, W.1, is open to our compatriots to be visited to-day, Saturday, between 4 and 6 o'clock.

The Chairman, Mr. Louis Chapuis, announced a few days ago that 12 of our compatriots were now being cared for by the Centre.

We take this opportunity of acknowledging with grateful thanks the amount of £2, which has been handed to the Swiss Relief Centre by an anonymous reader of the Swiss Observer. May we express the hope that this gesture will be followed by all those of our compatriots who are in a position to do so and who have not yet sent their subscriptions towards that charitable and patriotic Institution. The time has now arrived when we must all help each other, and who knows, a good number of us may need the Swiss Relief Centre, so that by helping it now we may really be helping ourselves. Donations can be sent in whichever way is most convenient, either to the Swiss Observer, through any of the Swiss Societies, or direct to the Treasurer, Swiss Benevolent Society, Swiss House, 34, Fitzroy Square, W.1, and should be earmarked "Swiss Relief Centre."

As our compatriots know, the Swiss Relief Centre is open to all Swiss who may become victims through air raids or through any other causes due to the war.
