LETTER BOX.

- G. H.** — Your remittance has been differently dissected and with the new adjustment will cover you to our issue No.1022.
- S. P.** — Sorry, we cannot assist you. Until further notice no postage stamps can be imported to or exported from this country. Any of the Zurich commemorative stamps enclosed in the ordinary mail would be confiscated by the censorship — in fact we know this has actually happened. Your only remedy is for you to suggest to your Swiss correspondents to use these stamps freely for franking your letters; they enjoy currency till the end of this year.
- C. S.** — Your suggestion is an excellent one. Our news column — as the title indicates — is collected at random from a variety of sources but there is certainly no reasons why the cantonal items should not be "classified." We think, however, that the seniority rank of the cantons as members of the Confederation is preferable to the official order now generally observed and which has no historical basis. The cantonal news will therefore be printed in future in the following sequence: Uri, Schwytz, Unterwalden, Lucerne, Zurich, Glarus, Zug, Berne, Fribourg, Solothurn, Basle, Schaffhausen, Appenzell, St. Gall, Graubünden, Aargau, Thurgau, Ticino, Vaud, Valais, Neuchâtel and Geneva.
- E. S.** — The reminder evidently slipped in by mistake; your present subscription expires with issue No.1035.

MISCELLANEOUS ADVERTISEMENTS

ECOLE ST. GEORGES, Clarens, Vaud, while remaining open in Switzerland, has had an English branch since the war started. This branch is at ONSLOW HALL, SHREWSBURY.

The School in Switzerland is owned by a Swiss Company (*Ecole St. Georges, S.A.*). It is under English management, with an Anglo-Swiss Staff; and it provides a general education, with special attention to English and French, for an international group of pupils.

The English Branch, though obliged to be financially separate, carries on the work and traditions of the parent school; but only for certain ages:—

In the *Junior School*, a limited number of children aged 8 to 12 years old are given a good grounding in general education, with special attention to French, in healthful and homelike country surroundings.

In the *Student Branch*, about twenty-five girls of 16 to 18 are following something of the programme of a Swiss *pensionnat*. French is a compulsory subject of study, and so are the courses in General Subjects, such as World Affairs, History of Art, etc. In addition, students may take courses in Art, Music, Domestic Science, Shorthand, Typewriting, etc.; and pupils taking Modern Languages as the main subject are prepared for Scholarship and Entrance to Universities.

A prospectus of either part of the School in England will be gladly sent on application to:— The Secretary, Ecole St. Georges, Onslow Hall, Shrewsbury, Shropshire.
