A. HOMBERGER †.

As mentioned in our last issue, the death occurred on Saturday, June 11th, 1949, of Mr. A. Homberger, Chairman and Managing Director of Messrs. A. Gagnière & Co., Ltd., Woollen Merchants of 34, Golden Square, W.1, at the age of 65.

The deceased was born on December 19th, 1884, at Brigue (Ct. Valais), and came to this country in 1906, where he joined the firm of Messrs. A. Gagnière & Co., Ltd.

Owing to his great capabilities and hard work he was made a Director of the firm after 15 years in their employ, and of later years held the post of Chairman and Managing-Director.

Mr. Homberger enjoyed a great reputation in the Woollen Trade of this country. Hard work and great integrity were some of his outstanding qualities, and his untimely departure has been deeply regretted by his large circle of friends both English and Swiss.

Although having become a naturalised British subject he always kept in touch with the Swiss Colony. He was, until his passing away a *Membre Passif* of the City Swiss Club and in his younger days took a great interest in the Swiss Mercantile Society, attending many of their functions. He was a devoted freemason in which craft he obtained high dignities.

All those who were privileged to know Albert Homberger, will keep him in good remembrance, he leaves a widow and four children (two sons and two daughters) to whom we extend our deepest sympathy in their sad bereavement.

BIRMINGHAM CHILDREN TRAVEL TO DAVOS.

A batch of 25 Birmingham children left Victoria Station, on Wednesday, June 22nd with destination Davos.
