C. E. SEINET.
President: City Swiss Club.

We have much pleasure in introducing to our readers, Mr. C. E. Seinet, who has recently been elected President of the City Swiss Club, London, for the year 1951/52.

Born in 1893 at Neuchâtel, he received his schooling in his native town, where he obtained the diploma of the "Ecole Supérieure de Commerce" in 1911.

After a stay of 18 months in Frankfurt a. M., where he obtained a post with a firm of importers, he arrived in this country in 1913 to take up an appointment with a Shipping firm in London. At the outbreak of the first world war, he was recalled to Switzerland and served from 1914-1918 in an infantry regiment.

In 1917, between the call-up of his division, he found a position with the Bally Shoe Factories, where he went through the usual training course and in 1919, Mr. Seinet was sent to Lausanne to take over the first retail establishment acquired by his firm in that town.

Eight years later (1924) he was asked to come to London to take up a position as Manager and Buyer with the London Shoe Company, Ltd., of which firm he became Managing-Director in 1932.

Mr. Seinet married in 1919, and has one son. He joined the City Swiss Club in 1927, and until recently held the office of Hon-Secretary of the Club.

We are extending to him our best wishes for a successful year of office.
