there are so many great international and human problems, it may appear to be somewhat disproportionate for men of importance to launch an eloquent appeal in favour of respect being shown to certain rare species of our Alpine flowers. But, all things are connected with each other, and here, we must perceive a form of respect for life, wherever it may be found.

The sparkling fun of snow and sun

Tell your British friends that they will return from their winter holiday in Switzerland sun-tanned, healthy and in high spirits. The sun and the exhilarating Alpine air will act like a tonic and build up their reserves of energy for the remainder of the year. They will also enjoy the gay evenings in good company at any of the 150 Swiss winter resorts. The expert instructors of the Swiss Ski School are ready to teach them the white sport the easy way. Hotels to suit every taste and pocket. Their Travel Agent will gladly advise them. Information is also available from the Swiss National Tourist Office, 458 Strand, London, W.C.2.
