and, by the blessing of God Almighty, may that country itself become a vast and splendid monument, not of oppression and terror, but of wisdom, of peace, and of liberty, upon which the world may gaze with admiration for ever.

**SWISS CLUBS BRADFORD, LEEDS AND
MANCHESTER.
"LANDSGEMEINDE 1960".**

For the twelfth consecutive year the third Sunday in June was earmarked for the "Landsgemeinde" of the Swiss in Lancashire and Yorkshire, held at Harcastle Crags in Yorkshire.

We gathered in the Memorial Gardens at Hebden Bridge and were welcomed to the district by the Chairman of the Hebden Royd Urban District Council, Councillor J. K. Wilcox, J.P., his wife and his two charming daughters. We were honoured also to meet our guests of honour Mons. J. J. de Tribolet, First Counsellor of Embassy, and Madame de Tribolet, representing H.E. Mons. Armin Daeniker, Swiss Ambassador, and Madame Daeniker.

Harcastle Crags is situated in the territory of Hepton Rural District, a stone's throw from Hebden Bridge. The beauty of this enchanting valley has been described already in reports of previous meetings but, all the same, each year it seems better than before. A new path accommodated three years ago on the east bank of the river, without spoiling the natural charm of the valley, is now used for our walk to the crags. It is a most enchanting ramble enhanced by the babbling of the water amid a variegated vegetation and a profusion of secular trees giving a refreshing shade, even in the warmest weather.

Much too soon we reached the stepping stones crossing the river to "Cosy Corner". Here we enjoyed a picnic lunch, washed down by excellent tea or minerals supplied by the conveniently situated Cosy Corner Café. Our hosts, Mr. and Mrs. Moor, and their charming daughter, Margaret, gave the feeling that they really like our coming, even though we monopolized their land, tables, benches and everything at hand for our convenience. We express gratitude for their solicitude, and we look forward to seeing them again next year.

At the "Landsgemeinde", started at about 2.30 p.m., we were joined by the Chairman of the Hepton Rural District Council, Councillor A. Howarth, and his wife, who welcomed us to their territory. Councillor Wilcox and Mrs. Wilcox also came over from Hebden Bridge to attend the ceremony.

The proceedings at the "Landsgemeinde", conducted by Professor Jean P. Inebnit, began with the singing in unison of "Le Vieux Chalet" (Abbé Bovet). This was followed by a concise history of the formation of Switzerland, from 1291 to 1815. As this proceeded, as only Professor Inebnit can do it, with skill and wit, starting with Uri, Schwyz and Unterwald, that is in 1291, and ending with Geneva, in 1815, the respective cantons, represented by the participants from these cantons, entered the circle. Thus we could see Switzerland growing in number. Some chose to sing a melody from their particular canton. Finally, friends of Switzerland from France, Germany, Austria

and Italy, and, to end, from Great Britain, were called into the circle, when the singing of the National Anthem concluded the ceremony.

Departure from Harcastle Crags was timed for 4 o'clock, and until then the children paddled in the river whilst their elders lounged and conversed.

At 5 o'clock an excellent meal was provided at the Civic Hall in Hebden Bridge, and was enjoyed by all, especially as the cakes were supplied by a Swiss confectioner, Mr. J. Sohm. Short addresses were made by the Chairman, Mr. J. P. Inebnit from Leeds, by Councillor J. K. Wilcox, Councillor A. Howarth, Mous. J. J. de Tribolet, and finally by Mr. B. F. Simon, Vice-President of the Manchester Swiss Club. All were received with applause.

This gathering is an opportunity for our members to meet important personalities. During the twelve years it has taken place, we have been honoured with the following guests:—

- 1949, Dr. Ernst Moergeli, of the S.S.E. Bern.
- 1950, Dr. A. Lätt and Mrs. Lätt, from Zürich.
- 1951, Pastor Blum, of the Swiss Church, London.
