# THE SCHWEIZERBUND IN DANGER

The time for a firm decision regarding our future is now rapidly approaching and an Extraordinary General Meeting is therefore being called for Thursday, 21st September 1961,

Our appeal for capital in the form of Guarantee Bonds has reached a figure approaching £1,000 in promises, but we must remind our members and friends that the target of £5,000 is the minimum figure which should be attained.

We have also been most fortunate in that we have been offered substantial help by Mr. W. A. de Vigier, and the generosity of our compatriots gesture is such, that it deserves the maximum support.

The General Meeting will have before it three possible courses of action and the response to our appeal will have a vital effect on the decision to be taken.

It is hoped that in view of the importance of the occasion as many of our members as possible will be present.

# NEWS FROM

## TO C. L. CHAPUIS

With the fulfilment of your eighth decade

You can look back with pleasure and with pride  
Upon a life in which your constant guide  
Was to conduct it as your conscience bade.

To speak your mind you never were afraid  
When being sure that right was on your side;  
Thus many circles asked you to preside,  
Many good cause came craving for your aid.

To all your gen'rous heart gave its consent,  
Crowning endeavour with deserved success,  
For all of which deep gratitude we owe.

So let us wish you well, with warm intent,  
Trusting that Providence will ever bless  
That what you've sown may live and thrive and grow.

"GALLUS".
