## MUSICAL HIGHLIGHTS IN SEPTEMBER

September indeed is the month of music in Montreux, on Lake Geneva, where this year the "Orchestre de la Suisse romande", the Warsaw Philharmonic and the "Orchestre National de Paris", great conductors and soloists will be the protagonists of twelve symphony concerts. Neighbouring Vevey will also profit of the organization set afoot, with concerts to be held from 29th September to 6th October.

The Italian-speaking part of the country, too, has its well established music festival in Ascona where performances are scheduled from 30th August to 26th October. The renowned fireworks were held on 10th September.

A different note was struck in Zurich where the International Amateur Jazz Festival is taking place from 9th to 14th September.
