GOOD HOUSEKEEPING SEAL OF APPROVAL

The touch-and-close fastener, "Velcro", which the makers claim can be cut to any required length, washed or dry-cleaned without loss of efficiency since it never rusts or sticks, has justified the claims of Selectus, Ltd., by being awarded the Good Housekeeping Seal of Guarantee.

"Velcro" is useful not only for home dressmaking; it can be equally handy in the home for laying carpets, fastening loose covers and cushion covers, and many other household tasks. It can be sewn by hand or machine to almost any fabric, leather, plastic or rubber, and where sewing is impracticable, contact adhesives or stapling may be used.

"Velcro" costs 4d per inch, in 10 good colours, and is available from haberdashery counters at shops and stores throughout the country.

You can use

'VELCRO' makes the perfect fastener for clothes, furnishings and many industrial uses. 'VELCRO' can be washed, dry-cleaned, ironed, mangled, cut to any length, pinked, notched and sewn by hand or machine. 'VELCRO' cannot jam or rust.
