MARCEL LEUBA †.

Born in La Chaux-de-Fonds in 1898, our lamented friend had a boisterous youth which gave anxious moments to his parents. He was apprenticed to his father's watch case factory and in no time displayed his talents as an accomplished craftsman, a gift which he shared in no small measure with other members of his family.

He became a pioneer of the watch case industry in this country when a modest factory was established with his father, uncle and brother in Holborn in 1922.

Later he was a founder of British Watch Cases Ltd., now a member of the Melbray Group of Companies, one of the most important producer of gold watch cases in the U.K.

He was a faithful and generous friend, an endearing "boss" whose passing is mourned by all and not least by those who are still "at it" today and to whom he gave their first job forty years ago.

In 1942 he joined the City Swiss Club and, in masonic circles: The Helvetica Lodge, the Entente Cordiale and Chapter "La France". The reasonable age of 50 having been reached and passed he was blessed once, twice, thrice: a wife, a son, another son, and now a wonderful life began. Ceaselessly he worked and schemed, planning, drafting, building, aiming high; for his family the best was hardly good enough.

And now came the decline as illness crept in. Seeking temporary relief from the vagaries of the English weather, he returned to the Canary Islands and, still building, found eternal rest.

On his wedding day I said, quoting Ecclesiastes "There is a time for everything in life, now is the time for loving . . ." alas now I must say "There is a time for dying". May his soul rest in peace. J.H.

PERSONAL

We have just heard that our friend and subscriber Mr. J. L. Guggenheim, of 71 Hamilton Terrace, N.W.8, had an accident a few weeks ago. He slipped off the kerb on his way to work and was taken to hospital for an operation for a broken femur. We are glad to hear that Mr. Guggenheim is much better again and we wish him a speedy and complete recovery.

At the end of September, Mr. M. A. Rothlisberger retired after forty-one years with the Ionian Bank Ltd., 64 Coleman Street, London E.C.2. Mr. Rothlisberger was born in London, but brought up in Switzerland from the age of three. He went to school at Aubonne in the Canton of Vaud, and after his apprenticeship and six years of employment, both with the Union Bank of Switzerland, he came to London. A year after taking up employment with the Ionian Bank, he was sent to Greece, but returned to London in 1928. In 1950, Mr. Rothlisberger was appointed Accountant, seven years later Assistant Manager and in May 1960 Manager.

Mr. Rothlisberger is a member of several Swiss Societies especially the Nouvelle Société Helvétique and the Swiss Mercantile Society. But above all, he has devoted much time and effort to the Swiss Benevolent Society whose Assistant Treasurer he became in 1932 and Hon. Treasurer in 1938. In 1961, he was elected Vice-President, an office he still holds with distinction.

The many friends of Maurice and Helen Rothlisberger wish them a good many years of happy retirement.

Our compatriot, the well-known pianist Albert Ferber, has just returned from giving successful concerts in Switzerland. On getting back to London, he recorded three recitals for the BBC (broadcast on 21st October, 9th and 22nd November). On Sunday, 17th October, he gave an interesting and highly successful concert at the Festival Hall. A few days later, he left for New York and Brazil where he is a member of the jury at the International Pianists' Competition. We wish Mr. Ferber continued success in his brilliant career.

CITY SWISS CLUB**A Last-Minute Reminder**

A Hundredth Dinner and Dance is not a frequent event in the social life of a community. When it does occur, it is bound to be special. The City Swiss Club Annual Balls have always stood out as social events in the London Swiss Colony's calendar. This year's **Hundredth Banquet and Ball** at the Dorchester Hotel on 19th November will stand out even more.

It has already been announced that Federal Councillor and Madame Bonvin are coming over from Switzerland specially to attend the anniversary function and will be Guests of Honour. The City Swiss Club has always made a point of inviting distinguished British personalities, and this year is no exception; a former Lord Mayor of London, Sir James Harman, and Lady Harman will grace the gathering by their presence.

The Cabaret will include the Entertainer Mr. David Kay from the Empress Club, and there will be entertainment by the Swissair Yodel Group and "Ländlerkapelle". These well-known folklore musicians will also appear on BBC Television whilst in London.

Altogether, the occasion promises to be a milestone in the Colony's history. It will provide an excellent meal, dancing to Arthur Salisbury's ten-piece Band, entertainment and a Tombola with exciting prizes. Above all,
